# The House Of Yahweh

My Dear Friends,

Due to the great persecution against us, because of the propoganda in the news media, the following letter was sent to the counties that surround The House of Yahweh in order to help them see through the smokescreen of lies being told and to better understand our Message.

We want everyone to understand that we have no hidden motives or agendas. Our mission is clear. We must teach the Laws of Yahweh and proclaim the Prophecies written in the Holy Scriptures; warning mankind of what is going to befall them if they continue to reject and break Yahweh's Laws of Peace and Health.

May Yahweh truly bless your understanding and may you, our faithful disciples, cry out to Father Yahweh for the deliverance of His House in these Last Days so that we may continue to do His Great Work of preaching the Message of His Perfect Kingdom.

To the citizens of Taylor, Callahan, and Jones Counties,

I am writing this letter to you in hope of bringing some enlightenment to this area about our cause. I would like for you to know what The House of Yahweh is all about, what we teach and why we teach the Message that we do. I would like for you to understand why our Message is so contrary to what you are accustomed to hearing from other religions. Please don't think that I am trying to get you to leave your church, I am not.

Neither am I condemning the news media. I am sure

they are doing what they think they must do to sell their broadcasts and publications. But they truly are misleading the people, causing a lot of hatred and distrust. We tried to be open with them and allowed them interviews but they distorted the truth, told blatant lies, and many times slandered our members. However, we hold no grudges. We decided that we would not be drawn into hatred and retaliation. We teach and practice to quickly and to completely forgive.

We know that you, our neighbors, have been misled about The House of Yahweh's teachings and people. Since we know from past experience that we cannot trust the news media to be accurate and unbiased in its stories about The House of Yahweh, and since the evil reputation the media gave us is continuing, in order to sell their product, we decided to come directly to you. We are only asking for your understanding of our cause and our rights as American citizens.

Every religious organization has its share of problems. The members are not always aware of these problems, but they do have problems, every last one of them. Below are only a few of the many examples coming from the churches and universities. The first one is quoted directly from a local preacher addressing some problems he has encountered within his congregation. This excerpt is from a sermon that was given on 7/20/08 by Dr. Don Greenway of the Northside Baptist Church in Abilene and is available on-line.

I'm honest with you, I keep a gun in the office because I get threatened pretty often. Now, I don't intend to take another beating. I may intend to kill somebody but I'm not gonna take another beating, I don't care. But I had a guy a while back come in the office, he had got drunk and beat his wife. And I'm telling you her lips was all bruised up, all swelled up and everything and there sitting there and she's holding her head down because this guy had just beat her within an inch of her life. And they're sitting there and now he's all, "I don't know why she can't get over this." And so I said a couple of things and he got hot. And the thing like, well maybe the reason she [can't get] over it is because you beat her like a dog. Maybe that's what the problem is. And he started to get up and I started to go for the drawer and he realized, "this probably may not turn out real well."

You know the problem? The problem is we cannot see the wrong that we do. This guy beat his wife like she was a drum but he couldn't see that he had done anything wrong. Why? Because we automatically see what everybody else does wrong, but we only see what we do right.

### Fourth McMurry Student Arrested On Aggravated Assault Charges

A fourth McMurry University student has been arrested on aggravated assault charges in connection with the October beating of an 18-year-old Abilene High School student who was visiting the campus, a sheriff's office spokesman confirmed Monday.

Darrell Jackson, 18, originally of San Antonio, was arrested in San Antonio last Wednesday, Sergeant John Cummins said.

After an investigation, Abilene police received warrants last week for the arrest of, Jackson and Osiris Taylor, 18 originally of Houston, Joe Hall, 18, originally of Waco, and Justin Chandler, 18, originally of Houston.

Police arrested the other three and have been searching for Jackson. On Sunday afternoon, October 18th, the four men allegedly beat an 18-year-old who was visiting a friend on campus. Police will not issue a motive for the assault, nor will they release the victim's name, Abilene police department has said.

Three of the suspects Hall, Chandler and Jackson were listed on the roster of the McMurry University football team. Aggravated assault, a second-degree felony, carries a possible punishment of two to twenty years in prison and up to a \$20,000 fine.

## Prestonwood Baptist Pastor; Church Appalled, Disgraced By Minister's Sex Sting Arrest

PLANO: A Prestonwood Baptist Church minister arrested for soliciting a minor on-line has resigned from the church, Pastor Jack Graham told his congregation Saturday evening.

*The Dallas Morning News*  
May 18, 2008

People normally choose a religion so that they can straighten out their lives, find peace, and achieve salvation. Sometimes these same people have very serious problems that they have not yet worked through, so much so that the police sometimes get involved in their activities. However, the news media rarely reveals what religious organization they belong to, unless they want to demonize that religion or, of course, they are members of The House of Yahweh.

Even if a person visits The House of Yahweh for the first time, and somehow gets into trouble and is arrested, the news media will portray this person as a typical long-time, great standing member who follows all of the teachings of The House of Yahweh.

Like all religions, we have people come to us who have problems. We do not turn them away. We help when we can, and we have helped many. No matter what a person's ethnic background is, we do not turn them away. Many people have come to us in desperate need. Some of them are now successful businessmen and women in Abilene and the surrounding areas. I know that you know of some of them.

We ask everyone who comes to us for help to repent of sin and start practicing the Laws of the Creator just as the Savior practiced the Laws of the Creator. We see this as what the Apostles taught also. Conversion takes time and many simply give up and leave.

Contrary to the rumors about us, we absolutely do not teach, nor would we ever tolerate child molestation, underage marriage, or multiple marriages. We do not force our way into people's homes to see what they do in their own homes. But we do teach against breaking the Laws found in your bible. This is the same thing that the Savior and His Disciples taught.

I do not believe that churches, schools, or hospitals are responsible for criminal actions of their members. If that were so, every preacher, teacher, doctor and nurse should be arrested now.

We teach against the use of illegal drugs. Such drugs are never allowed on The House of Yahweh property if we know of them. We ask that anyone who may have a problem in this area to get help in overcoming this dangerous habit. We have even sent some who have come to us for help to other centers like Alcoholics Anonymous when we realized that we could not help them.

Like the Savior and the Apostles, we also teach that we must obey man's laws. We diligently strive to convince all people who come to us for teaching to do so. Those who

refuse to repent and convert are asked to leave and to not come back unless they are willing to repent. Most do repent because they came to The House of Yahweh for that reason. However, there are some who won't repent so they leave. Some who leave get angry and say things about The House of Yahweh that are misleading.

Another rumor that we would like to dispel is the one about The House of Yahweh grounds being a compound where people are forced to stay. For security reasons, there is a gate at the entrance but no one is locked in, everyone is permitted to leave any time they please. They come and go at will. ACU has the same security and so do many apartment complexes, but the media tries to make this look bad only with The House of Yahweh.

Our local members either own or rent property in or around the Abilene/Clyde/Eula areas. Many other members live in other states and only come to Texas for the Feasts, or they visit during holidays. We do have some furnished shelters for newcomers—single men, women, or families. These are temporary until the person finds a permanent home elsewhere. We also furnish food and clothing to anyone in need when they come to us for help. To the best of my knowledge, we have never denied anyone. Nor do we send anyone away who wants to stay, learn, and overcome.

We do have a campground, that is used three times a year for celebrating the three Feasts, with areas for travel trailers and tents. There are even a few mobile homes. We also have separate shower rooms for men and women. The campgrounds are occupied three times a year in celebration of Yahweh's commanded Feasts. The Laws concerning these Feasts are found in the Old Testament. The New Testament gives witness to the fact that these Feasts were kept by the Savior and His Disciples, and we follow their examples.

People come from all over the world to keep Yahweh's Feasts at His House. The Passover and Feast of Unleavened Bread is held for seven days in the spring. The Day of Pentecost is a one-day Feast, but many times the people stay for about three days. The Feast of Tabernacles is an eight day Feast that takes place in the early fall. During the times of the Feast, a great deal of revenue is brought into the Abilene and surrounding areas by the many Feast attendees.

Of course, after the Feasts end, everyone returns to their own nations, states, and homes. There are a number of members who have moved to this area in order to be near The House of Yahweh to attend weekly worship services, but as I stated before, they do not live on the campgrounds. They have their own homes, jobs, and businesses that they return to.

## We Do Not Discriminate

All peoples and languages are welcome to The House of Yahweh. To us there is no such thing as "race". We all came from one people, and at The House of Yahweh we are one people. We do not discriminate against gays. We welcome

them and teach them Yahweh's Way. In Yahweh's House are many families, single men and women, nuns; people from many different walks of life. All of these people are here for the same reason, to learn to stop sinning. Sin is the breaking of the Laws.

### ● I Yahchanan (John) 3:4—

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

We teach that to be forgiven one must repent of breaking the Laws and convert to keeping them.

### ● Acts 3:18-20—

18 But those things which Yahweh foretold by the mouth of all the Prophets, that Messiah must suffer, He has fulfilled this.

19 Repent therefore, and be converted, that your sins may be blotted out; that times of refreshing may come from the Presence of Yahweh;

20 And that He may send Yahshua, the Messiah Who was preached to you.

We do not recommend marriage at this time because of the soon coming nuclear wars that are prophesied, but we do not forbid marriage either, if all is legal. We teach against multiple wives. We teach family planning. We even allow artificial insemination because it breaks no law of man or Yahweh. We teach our children to be respectful to all, young and old. We teach against abuse of children, spouses, neighbors, and even enemies. We know that everyone is in training and they do make mistakes, but as long as they are trying to overcome their problems, we are there to help. Practicing the Laws of Yahweh makes one Righteous.

### ● Deuteronomy 6:25—

And it will be our Righteousness, if we observe to do all of these Laws before Yahweh our Father, as He has commanded us.

### ● I Yahchanan (John) 3:7-8—

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

## Rumors

History shows that crusades were started by rumors. A group would start a vicious rumor about another group in order to turn people against it. As a result, hatred spread. Then came fighting and crusades ensued. Millions of people—men, women, and children—were killed. In Germany alone, six million people were killed. Surely, this is not what we desire in Abilene, a city named after Abel, the first Righteous Priest of Yahweh. Surely, we of the great United States of America, a nation founded on the right to worship as we choose, are above that in this age.

It was the freedom of religion that brought our ancestors here. Do we really want to go back to the Dark Ages, a time of witch-hunts, crusades, burnings, and stonings?

Our phone lines are always open to calls if you have questions about us, The House of Yahweh. Our gates are

open to anyone who would like to come to services or to just say “hello” or “shalom”. See for yourself what we believe and teach, and the simple way we conduct our lives.

## Who Are We?

We are called by some a Hebrew-Christian sect. They called the Apostles, who kept Yahweh’s Laws and followed the perfect example of Yahshua Messiah, the same, as many call us today. We believe in practicing and teaching the Ten Commandments among ourselves and to anyone who would like to learn, we teach.

We are not asking anyone to leave their church and join us. In fact, we are in hopes that we could just be left alone to live and worship the way we see the bible teaches, so we may teach our children to practice the Ten Commandments and keep them free from the curses caused by sin. We believe that soon everyone left alive after the coming nuclear wars will be practicing the Laws in their bibles.

We will never retaliate. We teach as the Savior did, to quickly forgive and to love your neighbor as yourself. Yes, even your enemy.

### ● Luke 11:4—

And forgive us our sins; for we also forgive everyone that is indebted to us. And do not lead us into temptation, but deliver us from the evil one.

### ● Mattithyah (Matthew) 6:14-15—

14 For if you forgive men their trespasses, your Heavenly Father will also forgive you;

15 But if you do not forgive men their trespasses, neither will your Father forgive your trespasses.

### ● Mattithyah (Matthew) 22:36-39—

36 Teacher, what *is* the greatest Commandment in the Laws?

37 Yahshua said to him: You must love Yahweh your Father with all your heart, and with all your soul, and with all your might.

38 This is the first and greatest Commandment.

39 And the second is like it: You shall love your neighbor as yourself.

Sin is the breaking of Yahweh’s Laws, which are found in every bible.

### ● I Yahchanan (John) 3:4, 7-8—

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

### ● Acts 3:18-19—

18 But those things which Yahweh foretold by the mouth of all the Prophets, that Messiah must suffer, He has fulfilled this.

19 Repent therefore, and be converted, that your sins may

be blotted out; that times of refreshing may come from the Presence of Yahweh.

### ● Revelation 22:14—

Blessed are those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the city.

We teach against all forms of sin that are against Yahweh and against mankind. We do not use force. We use teaching, the same way as the Savior, our example, did.

### ● Mark 10:42-45—

42 But Yahshua called them *to Him*, and said to them: You know that those who are recognized as rulers over the Gentiles exercise rulership over them, and *those who are greater still* exercise authority over them.

43 But this must not be so among you. For whoever will be greatest among you, will be your minister—*your servant*;

44 And whoever of you will be the first, will be slave for all.

45 For even the Son of Man did not come to be served, but to serve; and to give His life as a ransom for many.

We do not pry into the lives of our members, or behind the closed doors of our members. This was part of the persecution of the dark, evil days that our forefathers fled from. If anyone comes to us wanting to know the True way to Righteousness, we will teach the Laws in the bible. Those who desire to repent and practice Yahweh’s Laws do so. But they are the ones who make the choice.

Our desire is to serve one another in the Righteousness of Yahweh. Tell us what you would like to see of us, that we might be able to fit into this community more readily. We will strive to do it, if it does not break any of Yahweh’s Laws.

Those who have turned away from following Yahshua’s example have brought many false accusations against our people. We hold no grudges against these people. We want only that they would repent and return to following the Savior’s example.

The only thing we would like is to have peace in the community and the right to follow the example of the Savior.

In closing I would like to quote our President George W. Bush, a fellow Texan, “something we have been doing all along, is urging the government to understand that minority rights are a vital part of any democratic society...”

Call if you like. Your calls or letters are welcomed.

In the Love of Messiah,

## MATTITHYAH 5:10-12

10 Blessed *are* those who are persecuted for Righteousness’ sake, for theirs is the Kingdom of Yahweh.

11 Blessed are you, when *men* will revile and persecute you, and say all manner of evil against you falsely, for My sake.

12 Rejoice, and be exceedingly glad, for greatest *is* your reward in heaven, for in the same manner they persecuted the Prophets who were before you.

# Cleansing Yahweh's Way Starting With The Heart And Mind And Fasting #5—Don't Be Surprised That The World Hates Us, They Hate Us Because We Keep The Laws

---

But notice in **verse 20**, now, He says, **Remember the word that I said to you: A servant is not greater than his ruler. If they have persecuted Me, they will also persecute you...** Why? For the trials, for your trial to see if you'll stand up or you'll melt and run like butter. **...If they have kept My word, they will keep yours also...** If they're keeping the Laws of Yahweh, they will have no trouble keeping what The House of Yahweh tells them to do.

**Verse 21, But all these things they will do to you because of My Name... Or My Authority; My Authority that He has given to The House of Yahweh, of course. ...for they do not know Him Who sent Me.**

**Verse 22, If I had not come and spoken to them, they would not have had their sins revealed...** Notice, He was revealing their sins. Yahshua was revealing their sins and saying how you have made the Laws of Yahweh of none effect with your traditions. Remember that? But when they would ask, "Well, what do I have to do to receive Eternal Life?" He said, "Keep the Laws."

None of them, none of the religions, brethren, none of the churches, none of the municipal institutions, not the government, not the navy, army or marines, none of these are keeping the Laws of Yahweh. But He says if you want Eternal Life, keep the Laws of Yahweh. I didn't write those things. Yahshua said them and the Apostles wrote them down for us. But that's what you find throughout the Holy Scriptures, if you want life. Every soul is Mine, Yahweh says, and the soul that sins, it's going to die.

And Yahshua said you'll likewise perish if you don't repent and be converted. That's **Acts 3:19**. Repent and be converted. This was after the Savior's death and the Apostles were saying, "Repent and be converted, so that your sins can be blotted out." Sin is the breaking of the Laws. Unless you repent and are converted, your sins won't be blotted out. That's a fact. That's a Scriptural fact.

Sin is the breaking of the Laws, *1 John [Yahchanan] 3:4*. He that says I know Him and keeps not His Laws is a liar. All of these people are liars. They say they know Him, but they keep not His Laws. We're the only ones on the face of the earth, brethren, who are keeping Yahweh's Laws, who actually know Yahweh and Yahshua. Don't you understand? Praise Yahweh.

**...they would not have had their sins revealed...** If I hadn't come and spoken, He said, they wouldn't have their sins revealed. That's the reason they hate us. Not because we're breaking the Laws, we're the only ones on earth who're keeping the Laws. We keep man's laws and we keep Yahweh's Laws. We keep man's laws; if they don't contradict with Yahweh's Laws we keep them. **...but now they have no cloak, covering for, their sins.**

**Verse 23, He who hates Me, also hates My Father...** He says, Who sent Me.

Now we are not the first to be persecuted, brethren. It started with Abel in **Genesis 4**. If you turn over to **I Yahchanan**, you see here the reason for some of the hatred that's coming out in the world right now against the House. They don't know why they hate us. One thing, they hate Jews. They don't want Jews in this county. They don't want blacks in this county, they say. Of course, they don't want whites either! They don't want you unless you come to their church and vote for whoever they want you to vote for.

But these people, according to your Scriptures, are not keeping Yahweh's Laws, and that's the only thing that promises Eternal

Life. You can get it from the *King James Version* or any other version in the bible, any other bible on earth will tell you this same thing. If you don't keep the Laws of Yahweh, you're going to perish. If you're breaking the Laws and you don't repent and be converted to Yahweh's Laws, you're going to perish. That's where all the world stands right now. The only light in the world is sitting right here under this building, right here. That's it!

Well, here now in **I Yahchanan**. If you look at **verse 10. I Yahchanan 3:10**. It says, **In this the children of Yahweh and the children of the devil...** If you look back up to **verse 7** of that same chapter; you see that?

**I Yahchanan 3:7. Little children, let no...** Priest, let no Catholic church, no Baptist, no Methodist, no church of Christ, not any of these liars, Yahweh calls them, that's what He calls them. They're liars and the Truth is not in them, the Truth, the Laws, are not in these people.

Let them not deceive you. **...he who practices Righteousness...** Now, I know they say that Jesus Christ practiced Righteousness for us. That's not what this says. This says he who practices Righteousness is Righteous.

**Verse 8, He who commits sin... Or practices sin. ...is of the devil...** The same as Cain, in **verse 10**.

**Verse 10, In this the children of Yahweh and the children of the devil are manifest...** That is, they're made known. They're made known to the world, they're made known to Yahweh.

Keeping Yahweh's Sabbath, brethren, is Yahweh's Mark that shows that you are obedient. That's the only reason that that Law is rejected by the Catholic church. They didn't want that Law. They hated that Law because they didn't want to be obedient to Yahweh. And Yahweh said, "If they don't want to retain Me in their knowledge, I give them up. I give them up to a devil mind, to a god mind."

Because the gods are all reprobates, following their lusts, all the gods are. Get this in your head. They are worshiping gods. **Revelation 9:20** shows you they are worshiping gods. They're following the gods, and they are many. There are many gods, Yahshua said. The Scriptures show this also. Yes, there is somebody out there, many, many of them are out there.

**...Whoever does not practice Righteousness is not of Yahweh...** You see that? Whoever, whoever, nobody can do it for you. It's your plow. It's your row to hoe. You've got to do it yourself or it won't be accredited to you. You will only be accredited to what you do and that's what you're going to be judged by, your own practices, your own works, as Yahweh said.

**...is not of Yahweh...** If you don't practice the Laws of Yahweh, you are not of Yahweh. And Yahshua said, He'll say, "Get away from Me. You're not of My House. I don't know what house you're from, but it's certainly not Mine." That's the original language in **Mattithyah 7**.

**...Whoever does not practice Righteousness is not of Yahweh and he does not love his brother!...** No, there is no love in the world, brethren.

They shut a meat-packing company down because of this; because they were trying to get cows, that had mad cow disease, they think, they were down and couldn't get up; they were trying to make them get up so they could serve them to you on your dinner table.

Does that sound like love? Yahweh is telling you there is no love in these people. No love! They don't practice the Laws of Yahweh. They don't know what love is. Every Law Yahweh has shows concern for his brother and sister, True Love. It shows True Love. They don't practice the Laws of Yahweh. Therefore, they don't know what love is. They know not peace, as Amosyah said. They don't know the way of peace. They're ignorant. They're dumb, barking dogs, he said.

Is this what you want to follow? What do you want to run back to? Go do it! You don't have to be tried for the Kingdom. He'll find others to take the place that He wants you to take. He can fill it. There's no doubt about that. He can fill all of these offices that He has offered to each of you at this time.

It's up to you whether you want to stand the test or not. I can't stand it for you, you know. Only you can repent and be converted to the Laws of Yahweh and take the office that Yahweh has open for you. I can't do it for you.

**Verse 11, For this is the Message that you heard from the beginning...** Yes, it's the same Message heard. It started with **Genesis 1**, "I'm going to make man in My Image and in My Likeness and I'll give to him this office of Authority and he will rule over all the things that My Fingers have framed," He said. That is putting some Prophecies together, here a little and there a little, **Genesis with Psalm 8, Psalm 110** and so forth.

And Yahweh says He's offering it to you and the Kingdom, of course, in **Revelation**. It's the last **Revelation** that's given, as who is opening the seals and who is judging and who is going to place those people in their offices right there.

We're down to the finishing lines now, brethren. The final test is right here in front of us and then the final wars, too. Praise Yahweh. Yes, you're going to see these take place shortly. They're getting ready for it. **Yahweh** won't hold it back for long. He's gonna fill His offices, then He's gonna let it go.

**For this is the Message that you heard from the beginning, that we should love one another...** That is, the Laws of Yahweh. Don't take of this other tree. If you take of this other tree, it's continual war. What has the world had but continual war?

**Verse 12, Not as Cain...** Look, not as Cain. ...**who was of that wicked one...** That is, of the devil. Is that who you want to be a part of? She can't give you Eternal Life. Only Yahweh can give you life.

You can run back out into the world, but your life won't last long out there. It's gonna be gone shortly. In fact, all the wicked are going to be wiped out, Yahweh said. And the ones who are left alive are going to start keeping His Laws. That's **Zechariah 14**.

**Zechariah** has proved itself true, brethren. He said, **Zechariah** was a man, under the Inspiration of Yahweh, who said there is a Babylonish land not yet discovered, where Yahweh is going to establish His House in the Last Days, in a Babylonish land not yet established.

No one knew that America was sitting over here. No one knew that this land existed. ...Columbus in 1492 finally established that there actually was land over here. That's **Zechariah's** fulfilled Prophecy.

**Verse 12, Not as Cain who was of that wicked one, and murdered his brother...** You can murder your brother in many different ways. Betrayal is murder. Yes, that's why it's so evil thought about. Betrayal, betraying your children is evil, it's murder. You murder them when you send them away from the House.

**...And why did he murder his brother? Because his works were evil, and his brother's were Righteous...** He was practicing, Abel was practicing the Laws of Yahweh. Practicing, not just looking at them, but practicing them.

Did you get that? He who practices Righteousness is Righteous, not just those who talk about it. He was practicing Righteousness but Cain was practicing evil so Cain killed his brother.

**Verse 13, Do not marvel, my brothers, if the world hates you...** Every one of The House of Yahweh members, brethren, was taken into court. They said, "Oh, don't take their word for anything. They all lie." So their testimonies were considered worthless. They would hear anyone who wanted to say anything about them.

**Verse 14, We know that we have passed from death to life, because...** Notice. ...**we love the brothers...** We don't betray them. We know we've passed from death to life. We teach our brothers the Laws of Yahweh. This is showing true love to our brothers and sisters.

**We know that we have passed from death to life because we love the brothers...** How do we know we love the brothers, but by teaching them Laws of Love? This is the only place you find Laws of Love. The only place on earth you find Laws of Love.

**We know that we have passed from death to life...** We know we have Eternal Life. ...**because we love the brothers...** We teach them the Laws of Yahweh. This is the Laws of Yahweh, this is the Love of Yahweh, that you keep His Laws, He said. ...**He who does not love his neighbor abides in death.**

**Verse 15, Whoever hates his neighbor...** Shows hatred. How do you show hatred to your brother? Why, you run down The House of Yahweh, the Laws of Yahweh. This is how you show hatred to your brother. You deny the only Love on earth, in the world, in the universe. You deny it when you betray Yahweh's Laws, Yahweh's Teaching. When you speak a word against the Work, you become a murderer, and all the blood from Abel down to this point is on your head.

**Whoever hates his neighbor is a murderer; and you know that no murderer has Eternal Life abiding in him...** Well, Christianity doesn't know that. Christianity thinks that Jesus Christ will give it to you.

Well, they found out later that the Scriptures said, "I'm gonna tell you to get away from Me, you who practice iniquity." They finally found out what iniquity was. So now they turned against Yahshua. They turned against the Savior and they said, "Well, let's just go to the so-called mother, go to Mary, the mother. Maybe she'll have more mercy on us than the other."

But Mary doesn't have Eternal Life abiding in her. She's gonna die herself. Mary has no life to offer. This is what Yahweh said. "Be My Witnesses," in **Isayah 44**. "You are My Witnesses that I am the Only Power," brethren. You are My Witnesses, too, that Yahweh is the Only Power Who has Power to give Life. There is no god before Him. There was no god formed before Him, neither will there be afterwards, not ever. In fact, we're going to stop all gods from ever existing after this. Praise Yahweh.

The only ones left in the Kingdom will be servants. The gods, brethren, are those who lift themselves up above you. The gods of the world, right now, they've set themselves in courthouses. They've set themselves in child molesting services. They're listening to the skippers who skip around, who prove that they're crazy to begin with. But they're willing to tell lies against you and your children. Of course, these lies are being proven that they're lies, that they're all liars, as Yahweh said they would be.

But here are the Savior's writings. He said. **Revelation 22:12. And behold, I come quickly...** He is going to come. Don't let Him catch you off guard, brethren. Make up your mind now to be sincere; be sincere. Repent, be converted to Yahweh's Laws and join your brothers and sisters with love, teaching love, teaching Yahweh's Way.

He said, **And behold, I come quickly, and My Reward is with**

**Me...** I believe it. I believe this because most of **Revelation** has already come to pass and we've proven that. So I'm looking forward to His Coming. And He says, **...behold, I come quickly...** Praise Yahweh.

**And behold, I come quickly, and My Reward is with Me, to give...** You according to what you've taught, whether you've taught love or whether you've taught people to leave the love and go out into the world...

If you'll read *The Prophetic Word*, I'll put the history in there for you. You won't even have to look it up. I'll show you the books and you can go prove it for yourself, if you'll just read what I put. I'm putting everything that the Catholic church is doing right now. I'm showing you where it came from and the mess they've got this world in right now, and all of Christianity. Yes, and I know they're sitting in the audience. I know they're hearing everything I say. If I were them, I'd be repenting. I would be begging Yahweh to forgive me.

They hate Yahweh. They speak against Yahweh. They speak against me so they're speaking against Yahweh. They don't know the Father. They don't know His Laws. They don't know anything about love. If they did, they'd be keeping the Laws of Yahweh and you'd be seeing their love displayed.

Know them by their fruits, Yahshua said. This tree of evil cannot practice Righteousness. It's not within them to practice Righteousness. They're not Righteous. The only thing they can bring forth is evil. Evil is working against Yahweh and His Laws. What better Laws could you have than are written in *The Book of Yahweh*, brethren? There are no better Laws.

Try to figure one out. Find a better law for me that says, "Don't commit adultery," "Don't have false gods, don't have these hinder gods before you." Find a better one than that. These hinder gods, Yahweh says, they all eat pork.

Do you find any Christians that have turned from pork? Yeah, stupid vegetarians, which makes it even worse but there's a few of them out there. Their minds are darkened and confused, too, because they won't do what Yahweh tells them to do. They won't even eat the Passover, never have.

Anyway, He says, **And behold, I come quickly... to give every man according as his work will be...**

Now, if you don't have a work, if you're not proving yourself strong enough to stand up against this world, if you're betraying your brothers and sisters by running your mouth, what, afraid they're gonna stick you in jail? They probably will be delighted to after you run your mouth. You know, you can't trust a liar.

**Verse 13, He says, I am the First and the Last, the Beginning and the End.**

**Verse 14, Blessed are those who keep His Laws...** This is Yahshua, the very last Book in *The Book of Yahweh*, the very last one, the last Inspiration given in the last chapter of that Book. And He says, Blessed are those who keep His Laws. Try to find a Christian who keeps the Laws of Yahweh. They'd kick him out of the church, brethren. There ain't no way they'd allow somebody to keep the Laws of Yahweh and go to their churches. No way!

Try it. Try to go to church and tell them, "Why aren't we keeping the Sabbath?" Go there on Saturday. Go there and say, "Hey, why aren't we having services today? Today's the Seventh Day Sabbath." They'd call the police and have you arrested...

**Blessed are those who keep His Laws, that they may have right to the Tree of Life...** The Tree of Life. If you look back to **Genesis**, the Laws, this is the same Message taught in the beginning, taught in the beginning.

**Genesis 2:9. And out of the ground Yahweh made every tree grow that is pleasant to the sight, and desirable for food. The**

**Tree of Life...** The Tree of Life. ...**was in the midst of the garden, and the tree of the knowledge of Righteousness and evil was in the midst also...** He said blessed are those who keep His Laws. This is the love that was taught in the beginning.

**Revelation 22:14. Blessed are those who keep...** This Tree of Life, who do what it says. ...**that they may have right to the Tree of Life, and may enter in through the gates into the city...** Blessed are those. All others are outside, kicked outside.

One more Scripture and we'll quit. Go back to **Hebrews. Hebrews. Hebrews.** In **Hebrews 4** we see the Sabbath and we see in **verse 9**, this is found on page 945. Read it for yourself.

Yes, the Seventh Day Sabbath is fully taught in Book Two. It was fully kept. It was kept properly by Yahshua Messiah, Who worked on the Seventh Day Sabbath, taking care of, making it a blessing to everyone who came in contact with Him, including His Disciples. The Disciples, afterwards, did the same thing, making the Sabbath a delight, the Holy of Yahweh. They kept it exactly as Yahweh keeps it. They were taking care of their brothers and sisters, making sure they were being taught love, love, the Laws of Yahweh, love.

This whole chapter is speaking of keeping the Sabbath Day as Yahweh keeps the Sabbath Day. **Hebrews 4:9. Therefore, there remains the keeping of the Sabbath to the People of Yahweh...** A *King James Version*, if it has a center reference, it'll have a little number by the side of it and look over in the reference and it'll say Sabbath. They didn't put it in, they didn't translate it like that, but they show that's what it means. If you have a center reference bible, a *King James Version*.

But it means Sabbath, the keeping of the Sabbath to the People of Yahweh. There remains the keeping of the Sabbath.

If you look back up to **verse 6**, it says, **Since therefore it remains that some must enter it...** Because the jobs are not all filled. **...and those to whom it was first preached did not enter because of disobedience...** Disobedience.

See, when you keep the Sabbath, it proves obedience to the Laws, to Yahweh. That's the Sign that you're obedient to Yahweh. Now, if you're obedient to Yahweh, He can teach you the rest of it. So this starts it. That's the reason I always said, you know, show them the Sabbath. If they don't want to do that, there's no use in fooling with them. If they're gonna be disobedient to Yahweh, you can't teach them anything.

Go and try to keep the Sabbath in a church. Just go there on Saturday and say, "Well, I came to worship, why are y'all not keeping the Fourth Commandment?" They'll ask you what it is probably!

There remains the keeping of Sabbath, but the first ones didn't go in because of disobedience or unbelief. Look at **verse 11**, last part of **verse 11**, read it for yourself. If they don't keep it, this is an example of unbelief. They say, "Only believe," why don't they believe? If they believe, they'd keep the Sabbath. Not keeping the Sabbath is a sign, a true sign, they don't believe. You see that?

Now, back to **Revelation 22:14. Blessed are those who keep His Laws...** Yes, they're obedient to Yahweh. ...**that they may have right to the Tree of Life, and may enter in through the gates into the city.**

**Verse 15, For outside are dogs, and sorcerers, and whoremongers, and murderers...** Murderers of children, murderers of Yahweh's People. Yes, there may be yet some that will die because of their hatred for The House of Yahweh. That is, the world hating The House of Yahweh.
