## SOON, A NUCLEAR BABY

My Dear Friends,

The headline sounds like something from the darkest minds of Hollywood, but this is far from fiction, it's 100% true.

This nuclear baby was conceived September 12, 2006 and just as with a woman with child, nine months later the delivery is due, which will bring us to June 12, 2007. This nuclear baby will actually kill one-third of man over a fourth part of the earth in and around the great River Euphrates. This prophecy was written over 2,000 years ago, just after the One called the Savior was killed in Jerusalem on a stake, which was first prophesied almost 4,000 years before it occurred.

Both Jerusalem and the temple were destroyed after the sacrifice of the Savior. Mount Zion was plowed like a field. There was not left one stone upon another for anyone to see thereafter that a city ever stood in that place.

All of these events are in the pages of history for anyone to verify, proving the truthfulness of the inspired prophecies in *The Book of Yahweh*.

### The Nuclear Baby!

The nuclear baby is a part of another prophecy showing the actual end of man's governments of and by the people. That prophecy shows us the last seven years, starting with the confirmation of the seven year peace plan. In this prophecy we are given the actual name of the Prime Minister of Israyl (Rabin), who, prophecy shows, would be the one with which the seven year plan was confirmed. This plan is being pushed now by President Bush and the rest of the Quartet members in Israyl at this time.

- This peace plan was prophesied to be a seven year plan. It is.
- It was prophesied to be confirmed with Rabin. It was.
- It was to be a plan of action. It is.
- It was prophesied that Rabin would be assassinated. He was.
- The seven year plan was to be shut down in the midst of the seven years. It was.
- It was to stay shut down for seven years. It was.
- It was prophesied to start again. It did.

● It is prophesied to end October 13, 2007. **It will!**

At that time, October 13, 2007, four-fifths of the earth's population would have been killed by wars, disease epidemics and earthquakes. But first, the nuclear baby is as follows: It was prophesied to be conceived September 12, 2006. It's prophesied to take nine months before this baby reaches maturity which is June 12, 2007. Near the end of that period, nuclear wars would have taken place that would have killed a third part of man over a fourth part of the earth in and around the great River Euphrates.

This comes line upon line, here a little, there a little, from many different prophecies, most of which were covered in last month's newsletter. But notice with me the prophecy concerning this time period which leads to the coming of the Savior, Yahshua.

● **I Thessalonians 5:1-3—**

1 But concerning the times and the seasons, brothers, you have no need that I should write to you.

2 For you yourselves know perfectly that the day of Yahweh so comes as a thief in the night.

3 For when they will say: Peace—true peace! then sudden destruction comes upon them, as labor pains upon a woman with child; and they will not escape.

This prophecy shows that the first sudden destruction for this time period takes nine months to develop. This is the same time period shown in the book of Revelation and as we can see in today's news, war has been growing steadily just like a baby since the first missile was fired September 12, 2006.

The following transcript contains portions of the speech President George Bush gave on September 11, 2006, and what occurred immediately after.

**Narrator:** At 5:00 am September 12th, 2006, Middle East time, speaking from the White House in Washington D.C., President George W. Bush addressed the world.

**President Bush:** Good evening. Five years ago this date, September the 11th, was seared into America's memory. Nineteen men attacked us with a barbarity unequaled in our history. Our nation is being tested in a way that we have not been since the start of the Cold War...

**Narrator:** They called this speech an Address to the Nation, we call it an Address to the World. In actuality, it was an address to the rest of the world more than to this nation. First, George Bush reminded us of what it is he is retaliating for, namely 9-11-2001.

**President Bush:** We saw what a handful of our enemies can do with box cutters and plane tickets. We hear their threats to launch even more terrible attacks on our people. We know that if they were able to get their hands on weapons of mass destruction, they would use them against us. On September the 11th, we learned that America must confront threats before they reach our shores, whether those threats come from terrorist networks or terrorist states...

**Narrator:** Then he declares his intention to use nuclear weapons. He declares his intention to use a First Strike when he says we learned that we must confront threats before they reach our shores. He then says we are willing to strike not

only terrorists, but other nations. George Bush calls them terrorist nations.

**President Bush:** And after 9-11, Saddam's regime posed a risk that the world could not afford to take...

**Narrator:** "Saddam's regime posed a risk that the world could not afford to take." In other words, there are other regimes just as dangerous if not more. They, too, are risks we cannot afford to take.

**President Bush:** In the first days after the 9-11 attacks, I promised to use every element of national power to fight the terrorists wherever we find them. One of the strongest weapons in our arsenal is the power of freedom. The terrorists fear freedom as much as they do our firepower...

**Narrator:** He vowed to use every element of national power. Remember, he said one of the strongest weapons is freedom and they fear our firepower. Remember the word fear. Recently, the United States State Department published data showing that Russia was no longer able to counter any nuclear strike by the United States. It showed that the U.S. has nuclear dominance.

**President Bush:** Do we have the confidence to do in the Middle East what our fathers and grandfathers accomplished in Europe and Asia...

**Narrator:** What did we do in Europe and Asia? We used the atomic bomb at Hiroshima and Nagasaki.

**President Bush:** We look to the day when moms and dads throughout the Middle East see a future of hope and opportunity for their children. When that good day comes, the clouds of war will part...

**Narrator:** One hour later, Michael Wittig recorded the following video at his home in Washington state. This is a shot heard around the world. While not every nation was capable of detecting this, Russia was able to see it and would have told the world. Bush did this to strike fear in all the nations and to show what he is capable of doing. It was the nuclear shot heard around the world.

**News reporter:** We start with a spectacular sight in the skies over western Washington tonight. Right around seven-thirty, our phones started ringing as viewers reported seeing a ball of flames shooting across the sky. Jim Foreman joins us live now with the video you're going to see, Jim:

**Mr. Foreman:** Dennis, people who saw it say it was much larger than an airplane. They really hadn't seen anything like it before. The calls came generally from Pierce and Kitsap Counties and take a look at what folks were seeing.

**Mr. Wittig:** (from the home video) It looks like it's dropping straight down now. It's actually turning, April.

**Mr. Foreman:** Michael Wittig and his wife were out back barbecuing when they saw this streaking through the sky.

**Mr. Wittig:** (from the home video) It's something on fire.

**Mr. Foreman:** What is it? They kept rolling as the fiery tail grew behind the mystery object.

**Mrs. Wittig:** (from the home video) Michael, it's on fire.

**Mr. Wittig:** (from the home video) Yeah. You can zoom in towards it.

**Mr. Foreman:** It looked pretty bright and pretty big.

**Mr. Wittig:** Yeah, it was. It was pretty bright and big and it looked like at one time it got more intense. It was like a faded orange and then it got quite a bit brighter as it turned the corner.

**Mr. Foreman:** Channel 5 news has contacted the Air Force, the FAA and local authorities. At this point, no one has an explanation as to just what streaked across the sky and just what was caught on tape.

**Mr. Wittig:** My first impression was a meteorite or something falling from the sky, some kind of falling star or something, but once you see it turn the corner you know it's not anything that's falling. It's definitely under power. It actually turned twice.

**Mr. Foreman:** Incredible pictures. Just what is it? The hunt for answers continues. We talked to the Western Air Defense Sector. Those are the folks responsible for controlling the skies over the northwest down at McCord Air Force Base. They say they tracked nothing on radar. We're tracking the story. When we know more, we'll let you know. I'm Jim Foreman, reporting live tonight.

**Narrator:** This event has been reported on the web and they're calling it a mystery object. It's a bright object and it's streaking across the sky above Washington State, near Seattle. They have a newscast from Channel 5 in Seattle and the news reporter looks like he's all excited about this. He's saying that the FAA says it's a high altitude jet, but if you look at the video, it's clearly not a jet. Even the news reporter looks like he doesn't believe that it's a jet. It's a rocket. It's moving much too fast to be a jet. It makes a sharp right turn at a very high speed and in about three seconds it makes a complete right turn.

Even if it was only going 700 miles an hour, and it looks like it's going much faster than that, it would be more G

forces than a pilot could take. That would be over 10 Gs and most pilots can't take that many. I think it's going several thousand miles an hour which means it would be pulling 20 or 30 Gs which a pilot could never take. Even rockets don't turn like that, but they would if they failed on launch or if they're shot down, like the Space Shuttle did when it blew up. You saw the Space Shuttle go in all different directions. Any rocket, when they launch it and it blows up on launch or it fails on launch, it starts turning like this. This thing appears to be a rocket. It's not a plane and it looks to me like they're not going to record it; they're going to try to hide it.

**News reporter #1:** Now to the story that has a lot of people talking this morning. Last night we received dozens of phone calls from many of you anxious to find out what that mysterious ball of flame was shooting across the sky.

**News reporter #2:** What the heck was it? This morning we do have an answer—at least one answer. Channel 5 Tonya Mosley joins us from satellite center with more on this spectacular video and a possible government explanation. Tonya, good morning.

**Ms. Mosley:** Good morning Bret. Well viewers throughout the area reported seeing this light here in the sky. There are many theories out there on exactly what it was. This morning the Federal Aviation Administration puts those theories to rest.

**Mr. Wittig:** (from the home video) It looks like it's dropping straight down now. It's actually turning, April.

**Ms. Mosley:** Michael Wittig and his wife were out barbecuing when they saw what appeared to be a ball of fire streaking through the sky.

**Mr. Wittig:** (from the home video) It's something on fire.

**Ms. Mosley:** Wittig immediately got out his video camera and rolled as the fiery tail grew behind the mystery object.

**Mr. Wittig:** It was pretty bright and big and it looked like at one time it got more intense. It was like a faded orange and then it got quite a bit brighter as it turned the corner.

**Ms. Mosley:** Dozens of people called King 5 reporting the object which was called everything from a falling star to a meteor. This morning, after careful review of what happened, FAA officials tell us the object was actually sun reflecting off the contrail of a jet. It's a rare occurrence, typically contrails are seen turning red or white when reflecting off the sun. Just to clarify, contrails usually pick up the entire color

spectrum, but viewers usually see white. They're also typically witnessed during or shortly after sunset. Live in the news room, Tonya Mosley.

**Phone Call between Bill Kalligher Hermantown, MN and House of Yahweh Technician:**

**Mr. Kalligher:** Hello?

**House of Yahweh (HOY) Technician:** Hello. Is this Bill Kalligher?

**Mr. Kalligher:** It is.

**HOY Technician:** I was just calling you to get your story as you related it earlier today. Okay. So why don't you begin? I'm recording this experience.

**Mr. Kalligher:** Well, on the morning of the 12th, after reading the newsletter for a week, going over it completely, I was, I guess, waiting to see this event take place. I woke up early, about 4 o'clock. By 4:30, I decided to turn the news on, which I had never done before. I never turn the TV on in the morning before I go to work, but I turned it on that morning just out of curiosity, I guess. A little bit of world news came on, not a whole bunch of stuff, weather came on. Then there was a little bit of a clip on a news broadcast that had happened out in Washington State where people were calling the police stations and they were also calling the military, trying to find out what this thing was they were seeing in the sky. It happened to be caught on tape by a home video recorder and they showed it on the television set. It was a huge, orange ball up in the sky with a trail that just took up half of the film camera's screen. It was just burning through the sky and the guy was doing everything he could to keep the camera on it because it was just going through the sky so fast. They said nobody knew what it was and there were no more reports on it. That was the last thing I saw on that whole thing and it kind of freaked me out.

**HOY Technician:** Great. So that put an impression in your mind as you saw it.

**Mr. Kalligher:** Absolutely.

**HOY Technician:** Yeah. Okay. Now, that was pretty much it. Right?

**Mr. Kalligher:** Well, other than the fact that because I had anticipated seeing this prophecy fulfilled, I was concerned and I wondered if maybe there was – for some reason because I know the Scriptures say there will be many strange wonders in the sky at these times – I know that was a great wonder. I have seen comets and I have seen things come out of the sky and burn through the heavens and stuff and they're blues and greens and I've never seen anything orange. I guess the thing I was

wondering if it was possible if it had been a missile, made out of iron, and didn't work, and iron burns in the atmosphere as brilliant orange and that's the only thing I could ascertain from it. It was freaking me out.

**HOY Technician:** So you were expecting that maybe that was a part of the fulfillment of the prophecies you were talking about in the newsletter that you were reading.

**Mr. Kalligher:** Well sure. I mean it didn't necessarily say it was going to be a nuclear explosion; it said there was going to be a nuclear attack. If there was a nuclear attack and a missile defused or failed, I guess it would burn up in our atmosphere. If the body of it is made out of steel, it's going to burn orange in the atmosphere—

**HOY Technician:** Yes.

**Mr. Kalligher:**—so I was quite concerned by it.

**HOY Technician:** Can you just say your name on here – on the tape.

**Mr. Kalligher:** My name is Bill Kalligher.

**HOY Technician:** Okay, Bill, at least prior to today, prior to seeing that video, have you ever seen any of our material other than the single newsletter?

**Mr. Kalligher:** That's the only thing I had ever heard was on the radio – on a local radio station and the gentleman hung up. Everybody at the place I was working with were pretty disturbed that the radio d.j. hung up on –

**HOY Technician:** Yisrayl Hawkins.

**Mr. Kalligher:** Yeah. He hung up on him and we were really disturbed that he hung up on him so we called and kind of griped a little bit to the radio station that they shouldn't have done that and they gave us your number. One of the guys at work called you and it was quite interesting to me. And then he got a bunch of fliers and we went and handed them out. That was all I knew about you guys.

**HOY Technician:** Right. So the only thing that you would have known about The House of Yahweh at that time was the one radio program and the one newsletter?

**Mr. Kalligher:** Yes.

## The Trouble?

This trouble takes place in and around the great River Euphrates and involves the Quartet.

### ● Revelation 6:1, 7-8—

1 And I saw when the Lamb opened one of the seals, and I heard, as it were, one of the four beasts saying as with a voice like thunder: Come and see.

7 And when He had opened the fourth

seal, I heard the voice of the fourth beast say: Come and see.

8 And I looked, and behold, a pale horse. And the name of him who sat upon it was Death; and Sheol; *the grave*, followed with him. And power was given to them over a fourth part of the earth, to kill with sword, and with hunger, and with pestilence—the same under the authority of the beast of the earth.

Governments of the people and by the people are identified in the inspired Scriptures as beasts or beastly systems. For full details of the history and prophecy of these governments, you must get our books, *The Mark of the Beast*, Volumes 1 & 2.

In order to tie in the world ruling empires of **Daniyl 7** with the four beasts of **Revelation Chapters 6, 7, and 9**, you need our books, *The End and The Lost Faith of the Apostles and Prophets*.

The four beasts of **Revelation Chapter 6** are today's leading governing bodies of leading nations that are guided by the Catholic Church of Rome. The four messengers shown in **Revelation Chapter 7** are the messengers selected by the people of the governments (beasts) of **Revelation 6**. With this information in mind, read the following Scriptures again.

● **Revelation 6:1, 7-8—**

1 And I saw when the Lamb opened one of the seals, and I heard, as it were, one of the four beasts saying as with a voice like thunder: Come and see.

7 And when He had opened the fourth seal, I heard the voice of the fourth beast say: Come and see.

8 And I looked, and behold, a pale horse. And the name of him who sat upon it was Death; and Sheol; *the grave*, followed with him. And power was given to them over a fourth part of the earth, to kill with sword, and with hunger, and with pestilence—the same under the authority of the beast of the earth.

Please notice the four beasts in verse 1. This shows us, first of all, that there are four. These four are further clarified in **Revelation Chapter 7** showing these are four messengers of the nations who have authority to actually hurt the earth with wars to try to prevent nuclear war.

The fourth beast (government) of the Quartet would be the United States, which was the last country to be developed on earth. The fourth is also shown to be the voice heard mostly for this troubled spot, a fourth part of the earth (verse 8) in and around the great River Euphrates as shown in **Revelation Chapter 9**.

The wars shown in **Revelation Chapter 6** are held back for the Work of The House of Yahweh, which is done in this same time period shown in **Revelation Chapter 7**.

● **Revelation 7:1-3—**

1 And after these things I saw four messengers standing on the four corners of the earth, holding the four winds of the earth, so that the wind should not blow on the earth, nor on the sea, nor on any tree.

2 And I saw another malak ascending from the east, having the seal of the living Father; and he cried with a loud voice to the four messengers, to whom it was given to hurt the earth and the sea,

3 Saying: Hurt not the earth, neither the sea, nor the trees, until we have sealed the servants of our Father in their foreheads.

Notice also in chapter 6 the last part of verse 8.

● **Revelation 6:8—**

...over a fourth part of the earth, to kill with sword (war)...

The Quartet's authority comes from the beast, meaning government, shown in:

● **Daniyl 7:3—**

And four great beasts came up from the sea, each different from the others.

These beasts are shown to be governments in:

● **Daniyl 7:12—**

As concerning the rest of the beasts, they had their governments taken away; yet their lives were prolonged for a season and time.

The governments give authority to the four messengers of the nations to hurt the earth (**Revelation 7:1-3**), that is, hurt the fourth part of the earth (**Revelation 6:8**) with war, hunger, and disease epidemics. Since September 12, 2006, the threat of nuclear war has been steadily gaining recognition among the nations over the fourth part of the earth in and around the great River Euphrates. Remember, the wars shown in **Revelation 6:7-8** are shown to be held back in **Revelation 7:1-3** but are finally turned loose in:

● **Revelation 9:13-14—**

13 And the sixth malak sounded, and I heard a voice from the four horns of the golden altar which is before Yahweh,

14 Saying to the sixth malak which had the trumpet: Loose the four messengers who are bound in the great river Euphrates!

The word **sixth** that is written in **Revelation 9:13-14** is translated from the Hebrew root word *bad*. This word is listed on pages 179-180 of *A Hebrew and Chaldee Lexicon to the Old Testament* by Julius Furst, which shows this word means **singled out, to the being alone of, standing alone, only, I alone, solitarily, alone**.

Correctly translated **Revelation 9:13-14** says the following:

● **Revelation 9:13-14—**

13 And the last malak sounded, and I heard a voice from the four horns of the golden altar which is before Yahweh,

14 Saying to the last malak which had the trumpet: Loose the four messengers who are bound in the great river Euphrates!

The four messengers here are the same four spoken of in **Revelation Chapters 6 and 7**—the Quartet that we see continually in the world news today. Notice verse 14...loose the four messengers (quartet) and notice also the great River Euphrates.

This nuclear baby takes nine months to fully develop into nuclear war over the fourth part of the earth. Remember, every act is counted in the nine months of a birth, not just the birth itself. Therefore, every act after the Quartet was loosed is included in the nuclear baby's birth.

This first nuclear war is not over the whole earth, as the one which darkens the sun will be. These wars will be discussed later in this article. Also, keep in mind that an all out war by all nations who have use of the nuclear arsenal would darken the sun in a couple of days. Yahweh has given us thirteen months of warning so we can get ready. The nuclear baby will be born in the last part of the nine months.

This war starts with conception and will cover only a fourth part of the earth. You won't see the actual nuclear war there until near the end of the nine months. One day of nuclear exchange can kill a third part of man over a fourth part of the earth.

Near the end of the thirteen month period, you will see nuclear wars that will involve all nations and will darken the sun. But keep in mind that the explosion itself is not all that is involved in a war.

Loading and preparing to load the missile are also included in a nuclear war. Negotiations and preparations are included as well. After the Quartet was loosed, the first missile was fired as a warning shot or fear tactic. Now all other plans are being put in order.

Isn't it strange that a prophecy

## Israel tells Abbas: the new government must comply with the Quartet's demands

Bethlehem Ma'an Israel has reacted to the Palestinian efforts to form a national unity government by stressing that this government must adopt the conditions of the international community if the Palestinians wish to return to peace negotiations with Israel.

The Middle East Quartet of UN, EU, USA and Russia laid down three conditions for the Palestinian government to meet: recognize the state of Israel's right to exist, renounce violence, and accept all previously signed peace agreements between Israel and the Palestinians.

## Krauthammer: Attack on Iran Inevitable

Responding to a question on Iran, President Bush said on Tuesday (September 12, 2006): "It's very important for the American people to see the president try to solve problems diplomatically before resorting to military force."

"Before" implies that the one follows the other, Charles Krauthammer notes in the Washington Post.

"The signal is unmistakable. An aerial attack on Iran's nuclear facilities lies just beyond the horizon of diplomacy."

Krauthammer weighs the costs of destroying Iran's nuclear capabilities while at the same time warning of the costs of doing nothing.

**Economic.** An attack on Iran could send oil prices to \$100 or even \$150 a barrel overnight, leading to a worldwide recession.

Iran might suspend its own 2.5 million barrels a day of oil exports and close the Strait of Hormuz, through which 40 percent of the world's exports flow every day, by scuttling its own ships, laying mines or threatening to launch Silkorm anti-ship missiles at any passing tanker.

Today Iran is deterred from aggression against its neighbors by the threat of conventional retaliation. Such deterrence becomes far less credible against a nation armed with nuclear weapons, and jihadist Iran will gain control of the world's most strategic region.

"Against millenarian fanaticism glorying in a cult of death, deterrence is a mere wish. Is the West prepared to wager its cities with their millions of inhabitants on that feeble gamble? The decision is no more than a year away."

## World powers differing over Iran

Vienna, Sept. 13: World powers were struggling today to agree on joint statements on Iran at a UN nuclear agency meeting, with diplomats saying this showed divisions in how to crack down on Tehran.

The six nations which are trying to work out a nuclear deal with Iran "couldn't agree on a statement" at the International Atomic Energy Agency's (IAEA) 35-nation board of governors because "the United States was too tough," a western diplomat told a news agency.

## 5 Years After 9/11, Many Nations Angry at United States

PARIS The nations of the world joined Monday in solemn remembrance of Sept. 11 - but for many, resentment of the United States flowed as readily as tears.

Critics say Americans have squandered the goodwill that prompted France's Le Monde newspaper to proclaim "We are all Americans" that somber day after the attacks, and the Iraq war and other U.S. policies have made the world less safe in the five years since.

Even German Chancellor Angela Merkel - an advocate of closer ties with Washington had veiled criticism of the United States, saying: "The ends cannot justify the means."

In a video broadcast Monday, al-Qaida No. 2 Ayman al-Zawahri warned that Persian Gulf countries and Israel would be al-Qaida's next targets and he called on Muslims to step up their resistance against the United States.

Israel's Haaretz daily expressed disappointment and cynicism in an op-ed piece that said: "This is Sept. 11 five years later: a political tool in the hands of the Bush administration."

In Pakistan, considered a major ally in the U.S.-led war on terror, newspapers ran bleak-toned opinion columns and editorials criticizing Western anti-terror policies and attitudes.

## 'Muslim nations must have nukes'

Islamabad, September 15: Muslim nations in the Middle East should arm themselves with nuclear weapons to deter Western enemies from attacking them, former Malaysian Prime Minister Mahathir Mohamad said Friday.

"They should have tanks, warplanes, warships, guns and missiles," Mahathir said.

"Yes, they need to have nuclear weapons too, because only with the possession of such would their enemies be deterred from attacking them."

Mahathir, 81, who retired as prime minister in 2003, remains highly respected and influential throughout the Muslim world.

He is currently on a lecture tour of Central and South Asia, and was addressing a conference on religious tolerance in Pakistan's capital, Islamabad.

When asked whether Muslim nations in the Middle East should acquire nuclear weapons, Mahathir replied, "Well, if you allow Israel to have them, why should the others not have them too?"

## What Is The Mark Of The Beast?

## The Mark of the Beast Volumes 1 & 2

Donation \$39.00, plus shipping & handling

Mahathir, a frequent critic of the Jewish state and its nuclear arsenal, stressed that he believed in a world free of nuclear weapons.

"My own opinion is that we should get rid of them," he said.

"All nations should (give up) nuclear weapons in particular the very belligerent United States."

He said that the U.S.-led war against terrorism has turned into a war against Islam and Muslims, because only countries such as Afghanistan, Iraq, Iran and Syria are being targeted.

## Hugo Chavez Will Support Iran If Attacked by U.S.

Venezuelan President Hugo Chavez pledged Thursday that Venezuela will support Iran if it is invaded as a result of the Middle Eastern nation's high stakes nuclear standoff with the United Nations Security Council.

"Iran is under threat; there are plans to invade Iran, hopefully it won't happen, but we are with you," Chavez told Iranian President Mahmoud Ahmadinejad at a meeting of the Group of 15 developing nations.

"Under any scenario we are with you just like we are with Cuba," Chavez said. "If the United States invades Cuba, blood will run... We will not have our arms crossed while bombs are falling in Havana or they carry Raul off in a plane."

## U.S. Blasts China Arms Sales to Iran, North Korea

WASHINGTON Top U.S. officials are criticizing what they call China's indiscriminate sale of

weapons to rogue countries, suggesting that Beijing's shortsighted policies have made the world more dangerous.

"China's actions seem to us dangerously shortsighted," Rodman told the U.S.-China Economic and Security Review Commission, and advisory panel created by Congress. "China's proliferation behavior, past and present, can come back to haunt it, even placing its own political interest in jeopardy."

Rodman said the United States worries that Chinese companies have helped Iran as it tries to establish a self-sufficient ballistic missile production program. China wants to build relations with Iran, Rodman said, to secure access to oil and gas and, potentially, to find ways to control China's restive Muslim populations.

## Kissinger warns of 'war of civilizations'

WASHINGTON: Former US secretary of state Henry Kissinger warned on Wednesday that Europe and the United States must unite to head off a "war of civilizations" arising from a nuclear-armed Middle East.

In an opinion column in the Washington Post, the renowned foreign policy expert said the potential for a "global catastrophe" dwarfed lingering transatlantic mistrust left over from the Iraq war.

"...Both sides of the Atlantic should put their best minds together on how to deal with the common danger of a wider war merging into a war of civilizations against the background of a nuclear-armed Middle East."

Henry Kissinger, like Caspar Weinberger, obtained his information first hand from dealing with the Middle East, but prophecy revealed these wars long before either of these men spoke of them.

Yes! Wider wars are merging and the last nuclear granddaddy of them all will be near the end of this thirteen month time period.

### ● **Mattithyah 24:21-22, 29—**

21 For then will be great tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the elect's sake, those days will be shortened.

29 Immediately, but after the tribulation of those days will the sun be darkened, and

the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

The nuclear baby will not end these wars. These nuclear wars will kill a third part of man (**Revelation 9:15**) over a fourth part of the earth (**Revelation 6:8**) in and around the great River Euphrates (**Revelation 9:14**). That is, the nuclear baby taking nine months ending June 12, 2007, will do this.

What proceeds after that is four more months of wars and the worst pains ever suffered by mankind ending only in nuclear wars and earthquakes that will darken the sun. The nuclear baby takes approximately nine months to fully develop which leaves four months to the prophesied end of man's governments of and by the people.

The competition and hatred among the nations are like that seen among the religions. All nations would prefer to destroy or be destroyed rather than submit to another's rule or religion that they believe to be false. The early settlers of America who fled Europe because of persecution would rather have suffered death than to submit to another religion. The same holds true for the holy men of old who were inspired to write *The Book of Yahweh*. The inspired writings show the persecutions that the saints, those who kept Yahweh's Laws, suffered.

Notice:

### ● **Hebrews 11:36-40—**

36 And others had trial of cruel mockings and scourgings, yes, and of chains and imprisonment;

37 They were stoned, they were sawed in two, were tested, were slain with the sword. They wandered about in sheepskins and goatskins, being destitute, afflicted, tormented; cruelly treated—

38 Of whom the world was not worthy. They wandered in deserts and mountains, and *in* dens and caves of the earth.

39 And all these, having obtained a righteous report through the faith, *have* not received the promise;

40 Yahweh having provided some better thing for us, that they, without us, would not be made perfect.

Even today in America, religious people become unjust judges and use their offices to persecute those of another religion.

Children are humiliated in schools by teachers and sometimes forced to eat pork or do things that are against their religions. But most people do not give in to persecution, nor does one country usually give in to another.

When people are taken over by force they never truly submit, they look for ways of setting themselves free from forced rule. That's what we see among

all nations today. They fear other aggressive religions and nations. They also hate aggressive religions and nations. Notice also:

### ● **Hebrews 11:23-27—**

23 By the faith Mosheh, when he was born, was hidden three moons by his parents, because they saw *he was* a beautiful child; and they were not afraid of the king's decree.

24 By the faith Mosheh, when he became of age, refused to be called the son of Pharaoh's daughter,

25 Choosing rather to suffer affliction with the people of Yahweh, than to enjoy the pleasures of sin for a season;

26 Esteeming the reproach of a saint greater riches than the treasures in Egypt; for he was looking to the recompense of the reward.

27 Motivated by the faith, he left Egypt, not fearing the wrath of the king; for as though seeing the invisible One, he endured.

Notice what is prophesied and seen among the nations today.

### ● **Mattithyah 24:7, 21-22—**

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes in place after place:

21 For then will be great tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the elect's sake, those days will be shortened.

### ● **Revelation 11:18—**

And the nations were angry...

The original word translated **angry** actually means *provoked or enraged, excitement of the mind, violent abhorrence, anger, indignation, vengeance and wrath*.

The word **angry** pretty well sums up the attitude seen among the nations today.

## But Up To This Point, They Did Not Have The Nuclear Baby

The Savior was speaking of a certain time period, not just any time but the end time. And He shows that this time period will be the worst time of trouble ever. So much so that the wars would need to be held back or delayed; otherwise, all flesh would be killed.

### ● **Mattithyah 24:22—**

And unless those days were shortened, there would no flesh be saved; but for the elect's sake, those days will be shortened.

If we compare **Revelation 7:3** we see that the end Yahshua spoke of is the same time period.

### ● **Revelation 7:3—**

Saying: Hurt not the earth, neither the

sea, nor the trees, until we have sealed the servants of our Father in their foreheads.

The time period Yahshua spoke of was the same time period mentioned by Daniyl the prophet.

● **Mattithyah 24:15—**

Therefore, when you will see The Lord of Heaven; *the Abomination of desolation*, spoken of by Daniyl the prophet, standing in the Holy Place—whoever reads, let him understand

This time period spoken of by Daniyl the prophet is the seven year peace plan confirmed with Rabin.

● **Daniyl 9:26—**

...unto the end of the war, desolations are determined.

Notice the end.

● **Daniyl 9:27—**

And he will confirm a covenant with many (Rabin) for one week; *seven years...*

This time period is the end or last seven years. In this time period, (verse 26) desolations are determined. That seven year peace plan was confirmed with Rabin September 13, 1993. The *1997 Grolier Multimedia Encyclopedia* gives us the following information:

Yitzhak Rabin, b. Mar. 1, 1922, d. Nov. 4, 1995, was Israel's prime minister from 1974 to 1977 and again from 1992 until his death. The pragmatic Rabin signed accords on Palestinian self-rule with Yasir Arafat on Sept. 13, 1993... Rabin...was assassinated by a Jewish extremist opposed to the peace agreements.

The following information was reported on *ABC World News*, with anchorman Peter Jennings, in August 1993.

The PLO Chairman Yasir Arafat...is working so hard to get this agreement with Israel sealed, signed, and delivered fast... Here's ABC News' Jim Bitterman, reporting:

...told ABC News that the PLO is putting the finishing touches on a seven year plan...

Remember, this is a plan of action. Prophecy showed that Rabin would be assassinated after this plan was signed, and that this plan of action would be stopped in the midst. The midst of seven years is three and one-half years, which

means there would be three and one-half years remaining to this peace plan. The seven years in the midst have passed. The plan started back up on April 13, 2004. We are in the last three and one-half years of this seven year plan now. The Quartet is pushing the last part of the seven year plan through at this time.

**U.S., Israel Eye-To-Eye on Mideast Peace**

WASHINGTON—If there ever was any doubt that the Bush administration and the Israeli government are of one mind on Mideast peacemaking and Iran's nuclear programs, it is fading during talks Israel's foreign minister is holding here.

Both the minister, Tzipi Livni, and Secretary of State Condoleezza Rice have issued identical demands that any Palestinian unity government renounce violence against Israel and accept its right to exist.

And Livni and Rice are on the same page in the distrust of Iran's intentions. "The world cannot afford a nuclear Iran," Livni said Wednesday after meeting with Rice at the State Department.

...Rice said Iran's cancellation of talks this week with the Europeans is further reason for the United Nations to consider applying sanctions on Tehran.

That is topic A on Rice's agenda for her meetings at the United Nations beginning next week. "It is a natural time to see where we are," Rice said as American diplomats try to pull the Europeans, Russia and China together to punish Iran with a series of increasingly harsher economic and political sanctions unless it suspends uranium enrichment.

...any Palestinian government must fully and completely meet international demands that it recognize the existence of Israel and renounce violence or terrorism. "These requirements are not negotiable," Livni said.

Rice...was emphatic that a new Palestinian government must meet those requirements.

"They embody the very essential elements of how we would get eventually to a two-state solution," she said.

Like Livni, Rice spoke positively of Abbas. He has accepted those important principles, Rice said, and "is someone with whom we can work and with whom we are working."

[www.foxnews.com](http://www.foxnews.com)

This last three and one-half year time period ends October 13, 2007. At the end of this time period, governments of and by the people also end by nuclear burning. Man's governments will actually destroy themselves with the works of their own hands. Compare:

● **Mattithyah 24:7—**

For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes in place after place:

● **Mattithyah 24:29—**

Immediately, *but* after the tribulation of those days will the sun be darkened, and the

moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

Keep these two Scriptures in mind, along with the nine month nuclear baby of **I Thessalonians 5:3** and **Revelation Chapters 6, 7 and 9**. Now notice:

● **Revelation 6:12—**

And I looked when He had opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood.

This prophecy does not happen with the nine month nuclear baby that only kills a third part of man over a fourth part of the earth. The prophecy in **Revelation 6:12** occurs in the four months that follow the nine month nuclear baby. During the four months that follow, hatred and nuclear wars continue.

Remember there are four months left after the nine month nuclear baby until the end shown in **Revelation 6:12**.

**The Adult Nuclear Wars That Follow**

The nuclear wars that follow the nine months nuclear baby, which only involves a fourth part of the earth, will continue. Notice:

● **Revelation 9:14—**

...great river Euphrates!

● **Revelation 9:17—**

...fire; yellow, and of jacinth; blue, and brimstone; red...

These are the three colors that make up the nuclear mushroom cloud that comes at the nine month birth of the nuclear baby.

Remember the prophet Daniyl shows the end to be October 13, 2007 unless the seven year peace plan stops again. Remember, it's seven years of action. So far, we can find no record or prophecy showing that this plan will stop again.

The nuclear baby conception started September 12, 2006. It will end June 12, 2007. The four months left to the end that will take us to October 13, 2007 are described as follows:

● **Revelation 9:20-21—**

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

What will the events outlined above bring to mankind? Daniyl says nuclear burning.

● **Daniyl 7:11-12—**

11 I beheld, then, because of the voice of the great words which the horn spoke; I beheld until the beast was slain, and his body destroyed, and given to the nuclear blast.

12 As concerning the rest of the beasts, they had their governments taken away; yet their lives were prolonged for a season and time.

This will be the worst part of the greatest tribulation. Compare:

● **Daniyl 12:1—**

And at that time will come that great, perfect government based upon perfect Laws, that will save the children of Your people; and there will be a time of trouble, such as never was since there was a nation to that time...

Compare with:

● **Mattithyah 24:29—**

Immediately, *but* after the tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

● **Revelation 6:12—**

And I looked when He had opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood.

There is another month after the end of man's governments that Yahweh shows us, which adds up to five months after the nuclear baby. This five months is shown to be the worst pain mankind will bring upon himself.

## Upon Those Who Have The Mark Of The Beast

● **Revelation 9:3-6, 10—**

3 And there came out of the smoke locusts upon the earth; and to them was given power, as the scorpions of the earth have power.

4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, nor any tree—but only those men who do not have the seal of Yahweh in their foreheads.

5 And it was granted to them that they should not kill them, but that they should be tormented five moons; *months*; and their torment *was* like the torment of a scorpion when it strikes a man.

6 And in those days men will seek death, and will not find it; and will long to die, but death will flee from them.

10 And they had tails similar to scorpions, and there were stings in their tails; and their power *was* to hurt men five moons; *months*.

● **Revelation 14:9-11—**

9 And the third malak followed them, saying with a loud voice: If any man worships the beast and his likeness, and receives *his* mark in his forehead or upon his hand,

10 The same will mourn, and they will tremble at the justice of Yahweh; for they rejected Yahweh and they rushed after gods

(elohim). They will mourn, for they acted defiantly against Yahweh, and it was decided before the holy malakim and the Lamb that they were surely guilty of *this sin*.

11 And the smoke of their torment ascends up forever and ever. And they have no Sabbath night and day, who worship the beast and his likeness, and whoever receives the mark of his name.

There are many prophecies and Laws that go with the explanation of these prophecies. In fact, I have often thought of writing a book or two just explaining these Scriptures. But to give you a brief explanation to get you started with your studies, I present the following with a few Scriptural references as possible so that you will not forget the lesson just presented concerning the nuclear baby.

## Part Of The Reasons Mankind Was Created

Some of the many reasons that mankind was created was to be given authority over the food supply of man and beast, to have a Kingdom that would guard the food supply and keep would-be scientists from changing the growth and depleting the life giving forces that Yahweh designed in each plant that comes from the earth.

If one watches, hears or reads the world news reports today, one cannot help but understand that our food supply and the land on which it is grown, the water we drink, the rainfall that waters the earth and the air we breathe are contaminated due to the lust for control and money.

The assaults against the food supply seem to be almost planned in an attempt to diminish the population. This may well be, judging from all the negative remarks in the media regarding the population numbers.

It seems the only thoughts are to bring about man's destruction and

diminish the population because, as mankind so narrowly thinks, the earth can only support so many.

Now these are religious people who talk the talk of going to heaven in a dreamed-up rapture to keep them from suffering their own devices, the works of their own hands. Would it not be a wiser God to just take them somewhere else before they murder all of mankind, if indeed their dreamed-up God is rapturing them up, out of his love or concern?

Whatever the case, what mankind has done to defile the earth, confuse the mind, bring sickness, diseases and wars to earth and the heavens cannot be solved by wars nor rapture.

What could solve all world problems is worldwide repentance of breaking Yahweh's Laws. Yahweh is mighty enough to enlarge the earth or provide hundreds of other planets to pioneer had mankind been worthy. But they are not. They are now reaping what they have sown and the seeds are getting more defiled each day.

The diseases are getting stronger and mankind is getting weaker, mentally and physically. Because they have changed what Yahweh created for them and broken the covenant, the results of these sins will be felt for five months of the worst pains ever.

## Why?

The only way that mankind will ever learn that Yahweh's Way is perfect, that what Yahweh created for mankind, He created perfectly, and that we should not have gone against His 613 Laws, is to let mankind do what he is doing and suffer from his own devices.

Yahweh warns us over and over again not to bring these evil diseases upon ourselves. But mankind has not taken His warning seriously.

● **Deuteronomy 30:15-20—**

15 See, I have set before you this day life by righteousness, and death and destruction—

16 In that I command you this day to love Yahweh your Father, by walking in *all* His ways, by keeping His Laws, His statutes, and His judgments, so that you may live and multiply, and so Yahweh your Father may bless you in the land which you go in to possess.

17 But if your heart turns away, and you are not obedient, and you are drawn away to submit to gods (elohim), to worship them by serving them—

18 I declare to you this day that you will surely perish; you will not prolong your days in the land which you cross over the Yordan to possess.

19 I call heaven and earth as witnesses against you this day, *that I have set before you life and death, blessings and curses. Because you are free agents to make your*

● **Isayah 65:2-5—**

2 I have spread out My hands all the day to a rebellious people, who walk in a way *which is* not right, after their own thoughts; *devices*;

3 A people who act defiantly against Me continually to My face; who sacrifice in gardens, and burn incense on altars of brick;

4 Who assemble and spend the night keeping memorials for the dead, who eat swine's flesh, and the broth of abominable things; *unclean foods*, is in their vessels,

5 Who say; Stand by yourself! Do not come near me, for I am holier than you! These *are* a smoke in My nostrils, a fire that burns all the day.

● **Isayah 66:17—**

They who sanctify themselves, and purify themselves in the gardens, following after the priest in the midst of those who eat swine's flesh, that which is offered to gods (elohim) and the rodent—will be consumed together: *says Yahweh*.

● **Isayah 59:1-3, 6-8, 12-15—**

1 Behold, Yahweh's hand is not shortened, that it cannot save; nor His ear heavy, that it cannot hear.

2 But your own iniquities have separated you from your Father; and your own sins have caused Him to hide *His* face from you, so He will not listen.

3 For your hands are defiled with blood, and your fingers with iniquity; *sin*. Your lips have spoken lies, your tongue has muttered perverseness.

6 Their webs will not serve as clothing, nor will they cover themselves with what they make; their works *are* works of iniquity, and the act of violence *is* in their hands.

7 Their feet run to evil, and they make haste to shed innocent blood; their thoughts *are* thoughts of iniquity; wasting and destruction *are* in their paths.

8 They do not know the way of peace, and *there is* no judgment in their goings; they have made themselves crooked paths; whoever walks on them will not know peace.

12 For our transgressions are multiplied before You, and our sins testify against us; for our transgressions *are* with us, and *as for* our iniquities, we know them—

13 In transgressing and lying against Yahweh, and turning away from following our Father, speaking oppression and rebellion, conceiving and uttering from the mind words of falsehood:

14 So judgment is driven backwards, and justice stands afar off, for truth is fallen in the street, and equity cannot enter.

15 Yes, truth; *the Law*, is suppressed; and he *who* departs from evil; *upholds the Law*, is accounted as mad; *makes himself a prey!* Yahweh saw *this*, and He saw the evil that *there was* no justice in the last days.

The Savior also pleads with you to repent of breaking Yahweh's Laws, saying that if you do not you will perish.

● **Luke 13:3-5—**

3 I tell you, No! But unless you repent you will all likewise perish!

4 Or those eighteen on whom the tower in Siloam fell and killed them, do you think that they were sinners above every man who lived in Yerusalem?

5 I tell you, No! But unless you repent, you will all likewise perish!

● **Revelation 18:1-5—**

1 And after these things I saw another malak come down from heaven, having great authority; and the earth was enlightened with His glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the cup of her destruction *because* of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My people, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached unto heaven, and Yahweh has remembered her transgressions against His Laws!

Sin is the breaking of Yahweh's Laws.

● **I Yahchanan 3:4—**

Whoever commits sin, transgresses also the Law; for sin is the transgression of the Law.

● **I Yahchanan 2:4—**

He who says: I know Him, but does not keep His Law, is a liar, and the truth is not in him.

● **Hebrews 10:26-27—**

26 For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins,

27 But a certain fearful expectation of judgment, yes, a zealous judgment. For it will come to pass that the adversaries will be devoured.

● **Mattithyah 4:4—**

But He answered, and said; It is written: Man does not live by bread alone, but by every word that proceeds out of the mouth of Yahweh.

● **Mattithyah 5:17-20—**

17 Do not *even* think that I have come to destroy the Law or the Prophets; I have not come to destroy *them*, but to establish *them*.

18 For truly I say to you; Unless heaven and earth passes away, one yodh—the smallest of the letters—will in no way pass from the Law, until all things are perfected.

19 Whosoever, therefore, will break one of the least of these Laws, and will teach men so, he will be called before the judges *and* cut off from the Kingdom of Yahweh; but whosoever will do and teach *them*, the same will be called before the judges *and proclaimed* great in the Kingdom of Yahweh.

20 For I say to you: Unless your righteousness exceeds *the righteousness* of the scribes and Pharisees, you will certainly not enter into the Kingdom of Yahweh.

● **Mattithyah 5:27-28—**

27 It is taught in the Law of Yahweh:

You shall not commit adultery;

28 But I say to you: Whoever looks on a woman with lust for her, has already committed adultery with her in his heart.

● **Mattithyah 7:21-23—**

21 Not everyone who says to Me; Teacher! Teacher! will enter into the Kingdom of Yahweh, but *only* he who does the will of My Father Who is in heaven.

22 Many will say to Me in that day; Teacher! Teacher! Have we not prophesied in Your Name, and cast out demons in Your Name, and in Your Name performed many wonderful works?

23 But then I will declare to them; I never knew you. Get away from Me, you who transgress against Yahweh's Law!

● **Revelation 22:12-16—**

12 And behold, I come quickly, and My reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the tree of life, and may enter in through the gates into the city.

15 For outside *are* dogs, and sorcerers, and whoremongers, and murderers, and worshipers of gods (elohim) and everyone *who professes* to love, yet practices breaking the Law.

16 I, Yahshua, have sent My malak to testify to you these things in the congregations of The House of Yahweh. I am the root and the offspring of David, *and* the Bright and Morning Star.

## But You Will Not Repent! Will You?

Mankind, through the actions of would-be scientists, has changed and is still changing the food supply. All the earth, seas, streams, farmlands and forests are defiled and getting worse each day. This is now being broadcast on the world news, just as the prophets wrote for this time period.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the ordinance, and broken the everlasting covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

We all must learn that sin does not benefit us at all. Sin only weakens the human body and mind, bringing confusion, disease, wars and death.

Yahweh set before us both ways. The way of righteousness is life.

● **Mattithyah 19:17, 29—**

17 But He said to him: Why do you question Me about righteousness? There is only One Who is the standard of perfection, and that is Yahweh; so if you would enter into life, keep the Laws of Yahweh.

29 And everyone who has forsaken houses, brothers, sisters, father or mother, children or lands, for My Name's sake, will receive a hundredfold, and will inherit everlasting life.

He also set before us the freedom to sin but warned that sin will bring us pain. In the last five months of this great learning period, sin will bring the worst pain ever in the history of mankind.

Mankind could repent of sin and stop all that is taking place, and is going to take place, but Yahweh says they will not.

● **Revelation 9:20-21—**

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Even after a third of man is killed over a fourth part of the earth mankind will still keep breaking Yahweh's Laws and the destruction will keep getting worse until the pain is so severe they will actually pray for death to relieve them.

● **Isayah 21:1-3—**

1 The burden of the desert by the sea: As whirlwinds in the south pass through; so it comes from the desert, from a terrible land.

2 A grievous vision is declared to me; the treacherous dealer deals treacherously, and the plunderer plunders. Go up, O Elam! Besiege, O Media! All the sighing in it I have made to cease.

3 So my loins are filled with pain; pangs have taken hold of me, like the pangs of a woman who labors. I was bowed down when I heard; I was dismayed when I saw.

● **Yeremyah 30:5-7—**

5 For this is what Yahweh says: We have heard a voice of trembling *and* of fear, but not of peace.

6 Ask now, and see. Can a man give birth to a child? Why then, do I see every man with his hands on his loins like a woman in labor, and every face turned pale?

7 Alas! Because that day is so great that none is like it. It is even the time of Yaaqob's trouble; but he will be saved out of it.

The troubles are here. They will grow much worse in the following months. When the nuclear baby is delivered, mankind will think they have achieved

peace through nuclear wars. But then these horrible pains will start and they will not end until a full month after the sun is darkened—five months of suffering in all.

● **Revelation 14:9-11—**

9 And the third malak followed them, saying with a loud voice: If any man worships the beast and his likeness, and receives *his* mark in his forehead or upon his hand,

10 The same will mourn, and they will tremble at the justice of Yahweh; for they rejected Yahweh and they rushed after gods (elohim). They will mourn, for they acted defiantly against Yahweh, and it was decided before the holy malakim and the Lamb that they were surely guilty of *this sin*.

11 And the smoke of their torment ascends up forever and ever. And they have no Sabbath night and day, who worship the beast and his likeness, and whoever receives the mark of his name.

You need the books, *The Mark of the Beast, Volumes 1 & 2* now. Almost everyone in the world has the mark of the beast upon them at this time and do not even know it because of the extreme deception.

● **Revelation 12:9—**

And the great dragon was cast out, that old serpent, called the Devil, and Satan, who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

Those left alive at that time, October 13, 2007, will have repented and will have turned to Yahweh through His House.

● **Zecharyah 14:16-18—**

16 Then it will come to pass that everyone who survives of all the nations which came against *The House of Yahweh* at Abel *and* the priest who teaches peace, will also go up from year to year to worship their Heavenly Father, Yahweh of hosts, by keeping the Feasts *at* The House of Yahweh.

17 And it will be *that* if any families of the earth will not come up to *The House of Yahweh* at Abel *and* the priest who teaches peace to worship their Heavenly Father, Yahweh of hosts, then upon them will be no rain;  *blessings*.

18 If the family of Egypt will not come and present themselves, it will come to pass that they will cause themselves to be afflicted by the plagues that come to pass upon the nations who will not come up to keep the Feasts *at* The House of Yahweh.

Why suffer with the rest of the world? Why not repent now? Yahweh is calling with open arms through Yahshua the High Priest over The House of Yahweh.

● **Hebrews 10:21—**

And *having* a High Priest over The House of Yahweh.

● **Revelation 18:1-5—**

1 And after these things I saw another malak come down from heaven, having great authority; and the earth was enlightened with His glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the cup of her destruction *because of her fornication*, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My people, so that you do not partake in her sins, and so that you do not receive of her plagues.

5 For her sins have reached unto heaven, and Yahweh has remembered her transgressions against His Laws!

All religions are following the same evil pathway to destruction. They are rebelling against the only Laws that would bring them peace, joy, and health. The Prophet Isayah, under inspiration of Yahweh, said it best.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and

utterly plundered, for it has come to pass that this judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the ordinance, and broken the everlasting covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

The religions will not repent, but you, as an individual, can repent and witness the protection of Yahweh that Yahweh has for His House. Note **Revelation 18:4**, if you repent, Yahweh shows there is protection from the plagues, disease epidemics, that are coming upon this world as a result of sin, which is the breaking of Yahweh's Laws (I Yahchanan 3:4).

On the other hand, blessings are still offered to those who repent and start keeping the Laws of Yahweh.

● **Revelation 22:12-16**—

12 And behold, I come quickly, and My reward is with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed are those who keep His Laws, that they may have right to the tree of life, and may enter in through the gates into the city.

15 For outside are dogs, and sorcerers, and whoremongers, and murderers, and worshipers of gods (elohim) and everyone who professes to love, yet practices breaking the Law.

16 I, Yahshua, have sent My malak to testify to you these things in the congregations of The House of Yahweh. I am the root and the offspring of David, and the Bright and Morning Star.

● **Deuteronomy 30:19**—

I call heaven and earth as witnesses against you this day, that I have set before you life and death, blessings and curses. Because you are free agents to make your own choice between righteousness and evil—therefore choose life, so both you and your children may live.

You need our books, *The Lost Faith of the Apostles and Prophets*, and *The Mark of the Beast, Volumes 1 & 2* now. We are here to receive your calls.

May Yahweh bless your understanding.

# The Prophetic Word Program On Hotbird 6-13 Fulfilling Prophecy

## Mattithyah 24:14—

And this message of the Kingdom will be preached to all the world by the one who bears witness to all nations and then the end will come.

The word **world** in this verse is listed as word #3625 in Strong's Greek Dictionary.

3625. οἰκουμένη δίκουμένη, oy-kou-men'-ay; fem. part. pres. pass. of *δοικω* (as noun, by impl. of *δοικω*); *land*, i.e. the (terrene part of the) *globe*; spec. the Roman empire:—earth, world.

Thayer's Greek Lexicon gives this additional information:

1. the inhabited earth
  - a. the portion of the earth inhabited by the Greeks
  - b. **the Roman empire**: Luke 2:1
  - c. the whole inhabited earth, the world: Luke 4:5
2. the universe, the world: Heb 2:5

The Prophetic Word Program is now broadcasting on the Hotbird 6-13 satellite. The broadcast footprint for this satellite is exactly the same as the Old Roman Empire.

The House of Yahweh is now fulfilling this part of the prophecy in **Mattithyah 24:14** by taking the message of the Kingdom of Yahweh right to the heart of the Old Roman Empire.
