## It's Not Getting Better! It's Getting Worse!

My Dear Friends,

The Savior said this generation would be the worst generation ever in the history of mankind. He was speaking of Righteousness and evil, of course, but He also spoke of diseases, famines, and wars.

As for the religions being Righteous, He described them as everything but Righteous for this time period. He said this generation would be like the days of Noah but worse.

● **Mattithyah 24:37—**

But just as the days of Noah *were*, so will also be the coming of the Son of Man.

The days of Noah are described in:

● **Genesis 6:5, 11-13—**

5 Then Yahweh saw that the wickedness of man was great in the earth, and every intent of the thoughts of man's heart was only evil, continually.

11 The earth also was corrupt before Yahweh, and the earth was Lawless, filled with violence.

12 So Yahweh looked upon the earth, and indeed it was corrupt; for all flesh had corrupted their way on the earth.

13 And Yahweh said to Noah: The end of

all flesh has come before Me, for the earth is filled with violence through them; and they have corrupted themselves with the earth.

There are no religions on earth today that follow the Laws of Righteousness that are written in the Inspired Scriptures, *The Book of Yahweh* or in *The Holy Bible*, except the only prophesied group—The House of Yahweh.

The Savior called this time period an evil and adulterous generation that would be filled with false religions that would claim to have Salvation, yet bring forth only evil and corruption, murder, drugs, fornication, death, and destruction. These religions would not keep the Laws of Yahweh. They would pretend to perform “wonderful” works while at the same time they would live in sin. Notice what the Scriptures show.

● **Mattithyah 7:21-23—**

21 Not everyone who says to Me; Teacher! Teacher! will enter into the Kingdom of Yahweh, but *only* he who does the Will of My Father Who is in heaven.

22 Many will say to Me in that day; Teacher! Teacher! Have we not prophesied in Your Name, and cast out demons in Your

Name, and in Your Name performed many wonderful works?

23 But then I will declare to them; I never knew you. Get away from Me, you who practice iniquity; you who break the Laws of Yahweh!

According to the Greek dictionary in *Strong's Exhaustive Concordance*, the word **iniquity** is word #458 from word #459, and means: **transgression of the Laws, not subject to the Laws.**

458. ἀνομία *anōmia*, an'-om-ee'-ah; from 459; illegality, i.e. violation of law or (gen.) wickedness:—iniquity. × transgress (-ion of) the law, unrighteousness.

459. ἀνομος *anōmos*, an'-om-os; from *α* (as a neg. particle) and 3551; lawless, i.e. (neg.) not subject to (the Jewish) law; (by impl. a Gentile), or (pos.) wicked:—without law, lawless, transgressor, unlawful, wicked.

If you are not subject to Yahweh's Laws, you are breaking or transgressing Yahweh's Laws which is defined as sin. Notice the Apostle Yahchanan's Inspired Writings.

● **I Yahchanan 3:4—**

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

So then, how does this classify the preachers who claim to do many wonderful works but do not keep Yahweh's Laws? We find our answer in the following Scripture:

● **I Yahchanan 2:4—**

He who says: I know Him, but does not keep His Laws, is a liar, and the Truth is not in him.

The Savior as well as the Prophets and Apostles show that only one Work on earth will teach the Laws and Prophecies—only one in this evil and adulterous generation.

## In The Last Days

The Savior, Yahshua Messiah, was speaking of the Last Days when He said there would be hatred between the nations, famine, disease epidemics, and nuclear war that will blot out the sun.

● **Mattithyah 24:7, 21-22, 29—**

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes in place after place:

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

29 Immediately, *but* after the *Great Tribulation* of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

The Savior shows a specific time period and tells us of events that can be seen, which will all be done in the same generation. His Words are "when you see these things."

● **Mattithyah 24:33-34—**

33 In the same way, when you see all these things, know that *His coming and the end of the age* is near, at the very door.

34 Truly I say to you: That generation will not pass *away*, until all these things are fulfilled.

Notice carefully, His Words in **verse 34**, "that generation". The generation He was speaking of was not the generation of His lifetime; otherwise, He would have already come and His Saints gathered to Him. Notice, His coming is part of "these things" to be fulfilled.

● **Mattithyah 24:30-31—**

30 And then will appear the sign of the Son of Man in heaven; and then will all the tribes of the earth mourn, and they will see the Son of Man coming in the clouds of heaven with Power and great Glory.

31 And He will send His Malakim with a

great sound of a trumpet, and they will gather together His Elect from the four winds, from one end of earth to the other.

Notice the other things that we will be able to look for and see, such as an increase in sin.

● **Mattithyah 24:12—**

And because iniquity; *the breaking of Yahweh's Laws*, will abound, the love of the many will grow cold.

Please notice, the Savior is actually saying that sin destroys love. Speaking of both nations and individuals, the Laws of Yahweh teach love. They teach you to love your neighbor as you love yourself and to do to him as you would have him do to you.

All religions stopped teaching the Laws forbidding fornication, adultery, sodomy, homosexuality, and bestiality when television came into everyone's homes and started promoting these very things in the last fifty years.

Hollywood's attraction has been in promoting fornication and the seduction of men's wives, sons and daughters. Hollywood promotes adultery—sex between a man and a married woman or wife swapping. It also promotes sodomy, but so does the Catholic Church and all of her daughters—religions that follow in the rebellion of the Catholic Church against the Laws of Righteousness, written in your Bible.

There is no love, true love, being taught today by any religions except Yahweh's Prophesied Established House. Love, true love, not lust but the true love of doing to others as you would have them do to you, respecting others and their possessions, including their children, all teaching of these Laws has stopped; it has grown cold. Since the religions stopped standing for the Laws against fornication, adultery, sodomy, homosexuality, bestiality, and uncontrolled lust, these sins have been taught in extreme from Hollywood, and true love has vanished.

The Savior was speaking of the end time period. How could He know 2,000 years ago what people would be like in this time period?

Civilized people are supposed to turn from sin; yet, the Savior said they would turn to sin even as they did in the beginning, in the days of Noah before the flood.

● **Mattithyah 24:37-39—**

37 But just as the days of Noah *were*, so

will also be the coming of the Son of Man; 38 For just as in those days before the flood they were eating and drinking, marrying while giving in marriage, until the day that Noah went into the ark,

39 And did not know until the flood came and swept them all away. So also will be the coming of the Son of Man.

Look around you, the Prophecies are correct. Lust, greed and disease epidemics are everywhere. Notice first what the Savior said in:

● **Mattithyah 24:7, 21-22—**

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; disease epidemics, and earthquakes in place after place:

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

From this Prophecy we see the worst disease epidemics in the 6,000 year history of mankind. The Savior was speaking of Prophecy foretold by the Prophet Daniyl who also showed this will take place in a 3½ year time period, shown by Daniyl and Yahshua to be the last 3½ years of man's governments and religions of and by the people.

## Have The Disease Epidemics Started Yet?

What's in the news today?

### World Cancer Day: Sunday, February 4, 2007

World Cancer Day's goal is to draw attention to the profound and universal impact of cancer around the world. Each year, approximately 7 million people die from cancer worldwide and close to 11 million new cases are diagnosed. Last year in Canada, approximately 153,000 Canadians were diagnosed with cancer and over 70,000 died from the disease.

What's the cause? STDs from fornication, adultery, sodomy, homosexuality, and bestiality.

Hepatitis B: The UICC estimates that worldwide, 70% of liver cancer deaths are caused by Hepatitis B infection.

[www.cancer.ca](http://www.cancer.ca)

### Scientists alarmed at rate of bird flu

Lance Jennings told a veterinary conference it has a higher mortality rate than any other strain

before it.

Dr. Jennings says that previously, bird flu has had a 60% mortality rate but in Indonesia 80% of people infected were dying. He says if that strain takes hold in more humans, thousands would die.

"What we're concerned about is if this virus does adapt to humans and retains that mortality rate, we're in deep, deep trouble."

## Cancer more likely for HIV, AIDS and transplant patients

SYDNEY Aids sufferers and transplant patients are much more likely to contract about 20 different cancers than other people, breakthrough Australian research shows.

A landmark study by the University of New South Wales has revealed that immune deficiency -- a problem common to the two groups -- makes people more vulnerable to infections and the cancers they cause.

The cancers include liver, stomach, skin, lung, cervix, eye, lip, mouth and penis.

Both groups have impaired immunity which appeared to put them at higher risk of catching viruses and developing cancers linked to them.

The research, published today in the prestigious British journal, *The Lancet*, showed that HIV/Aids patients were 11 times more likely to develop Hodgkins lymphoma a cancer associated with Epstein Barr Virus.

Transplant patients had a four-fold risk.

They also had more chance of contracting cancers relating to the human papilloma virus like cervical, penile and anus cancers.

Liver cancer rates were five-fold among HIV patients and double in transplant patients.

The dangers were similar for cancer of the lung, stomach, eye, larynx, lip and esophagus.

www.nzherald.co.nz

**HIV/AIDS** was created by mankind through uncontrolled lust, in this generation, by committing fornication, adultery, sodomy, homosexuality and bestiality.

Notice how quiet the religions are on these subjects as they give their children pills to kill the children they create, along with the diseases they are also creating and mutating, while they try to find pills to kill the cancers and the many other diseases related to STDs.

"They dominate almost all the viruses that are present,"

Herpes viruses are naturally found in many different animals (95 percent of humans carry some kind of herpes virus).

**Herpes** viruses are STDs created by fornication, adultery, sodomy, homosexuality and bestiality. Herpes does not just stay with the millions of people who are mutating these viruses, it also spreads into the atmosphere (the air you breathe), as well as the oceans and lakes.

## Cancer in Texas: An Overview

It is estimated that more than 1.3 million people in the United States will be diagnosed with cancer in 2004. In Texas alone, it is estimated that approximately 85,000 individuals will be diagnosed with cancer in 2004, and another 37,000 will die from the disease.

...cancer remains the second leading cause of death among Texas children ages 1 to 14 years. Cancer is diagnosed in approximately 1,100 Texas children and young adults under

the age of 20 each year. Another 200 die from the disease.

Texas Cancer Facts & Figures 2004

The children of this generation are born with cancer which comes from the sins of their ancestors, 1 to 4 generations before them.

Yahweh warned you this would occur, thousands of years ago. But scientists and religious leaders thought they were smarter than Yahweh, so they cast aside His Laws and they all turned to uncontrolled lust. Therefore, Yahweh gave them up to suffer in their own bodies the things they were warned ahead of time that they would bring upon themselves.

#### ● Romans 1:16-32—

16 For I am not ashamed of the Message, for it is the Strength of Yahweh unto life everlasting for everyone who believes: to the Yahdai first, and also to the Greek.

17 For in *this Message* is the Righteousness of Yahweh revealed, *originating from the Faith and leading to the Faith*; as it is written: The Just will live by the Faith.

18 For the Judgment of Yahweh is revealed from heaven against all unholiness and unrighteousness of men, who suppress the Truth in unrighteousness.

19 For that which is known about Yahweh is manifest to them, because Yahweh has shown *it* to them.

20 For since the creation of the world, the invisible things of Him are clearly seen—His Eternal Power and Holiness—being understood by the things that are written; so that they are without excuse.

21 Because that, when they knew Yahweh, they did not glorify *Him* as Father, nor were thankful, but became idolatrous; *godworshippers (worshippers of elohim)*, in their reasoning, and their senseless minds were darkened.

22 Professing themselves to be wise, they became fools; *simpletons*,

23 And exchanged the Glory of the incorruptible Father for images, made to resemble corruptible man, and birds, four-footed beasts, and creeping things.

24 Therefore, Yahweh also gave them up to uncleanness through the lusts of their own minds, to dishonor their own bodies between themselves:

25 Who exchanged the Truth of Yahweh for the lie; *lords (baalim), gods, goddesses (elohim) and demons*, and worshiped and served the creation, rather than the Creator, Who is blessed forever. *Praise Yahweh! HalleluYahweh!*

26 For this reason Yahweh gave them up to degrading passions: for even their women exchanged the natural use into that which is against nature.

27 And the men did the same thing: leaving the natural use of the woman, *they burned in their lusts for one another; men committing shameful acts with men*, and suffering in their own bodies the penalty for

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are

## New Herpes, AIDS Cancer Link

By Sean Henahan, Access Excellence

NEW YORK The discovery of a new herpes virus may help explain why some AIDS patients develop a rare form of cancer called Kaposi's sarcoma.

Kaposi's sarcoma (KS) is a rare form of cancer that causes purple blotchy marks on the skin, and can eventually spread to lymph glands and the digestive tract. Before the 1980s it was rarely seen. Then with the advent of the AIDS epidemic, physicians suddenly began to see hundreds of cases of Kaposi's sarcoma. Moreover, the form now seen in up to a third of AIDS patients is more aggressive than the previous form.

## A lethal link—herpes and HIV

Forrest Caskey

As your immune system thumbs through its little black book of past relationships with various viruses and ailments, one name stands boldly alone, crossed out and rewritten countless numbers of times, genital herpes, otherwise known as HSV-2. Recent studies are showing that HSV-2 is forming an unhealthy romance with another antagonist partner: HIV. Individuals who test positive for genital herpes are now twice as likely to contract HIV.

"Condoms are only 50 percent effective. The virus is spread by skin-to-skin contact, thus resulting in the high number of people contracting herpes each year," says George Froehle, community educator for the HIV Prevention Trials Unit in Seattle.

In the United States alone, that means 500,000 new cases of herpes transmission per year. Already, more than 50 million Americans, or 20 percent of the adult population, have contracted genital herpes; among the gay community, the number rises to 40 percent.

Froehle stresses the importance of getting checked for HSV-2 by saying, "80 percent of people with genital herpes do not know they have it. Many people do not have symptoms and don't think to get checked."

In those who don't develop symptoms, such as sores, HSV-2 quietly lives in the base of the spinal cord. Though silent, the virus is far from dormant and can easily be transmitted through contact.

HIV is far more difficult to contract than the HSV-2, but of the biology of the two viruses, they are able to complement each other to facilitate transmission.

Without a noticeable sore, the danger is still there—just not as apparent.

## Bacteria: The Ultimate Cause of Cancer?

By Alan Cantwell

The reason we cannot "cure" cancer is that we cannot stop the destruction caused by these "hidden" and "unrecognised" bacterial elements. The reason antibiotics do not work well in cancer is because the microbes (in the mycoplasmal phase inside the body) are not susceptible to antibiotics.

Finally, is cancer contagious? For a century physicians have said "no". But now we know that certain viruses like HIV can lead to cancer. Certain wart "papilloma" viruses can be spread sexually and result in cervical cancer. If further infectious agents, like cancer microbes, are found in cancerous diseases, we may have to reevaluate the contagiousity of cancer.

**Both HIV and the human papilloma virus are created and mutated inside the bodies of women who have multiple sex partners. These diseases can then be spread from person to person in the same way, by breaking the Laws recorded in the Bible, and it's called fornication and adultery.**

Of course, your preacher told you that Yahweh's Laws were done away with, but the Savior said:

### ● **Mattithyah 5:17—**

Do not *even* think that I have come to destroy the Laws or the Prophets; I have not come to destroy *them*, but to establish *them*.

### ● **Mattithyah 7:15—**

Beware of false prophets who come to you in sheep's clothing, but inwardly they are ravening wolves.

**The billions who are infected with diseases now should have read their Bibles instead of listening to religious imposters who call the Savior a liar.**

## Molecular Genetics of Childhood Cancer: Implication for Pathogenesis, Diagnosis, and Treatment

More than 7000 new cases of cancer are diagnosed in children under 15 years of age each year in the United States; approximately

one-third of these children ultimately die from their disease or from the side effects of therapy. Worldwide, approximately 200,000 cases occur annually.

**Think of this: all of these diseases and the needless suffering of these children could have been avoided if the religious imposters would have taught the Laws of Righteousness instead of teaching the children to sin.**

### ● **Yeremyah 23:21-22—**

21 I have not sent these prophets, yet they ran; I have not spoken of them, yet they prophesied.

22 But if they had stood in My Counsel, and had caused My People to hear My Words; the Laws and the Prophets, then they would have turned them from their evil way, and from the evil of their doings.

## Emerging diseases remain a global concern

### Infectious diseases are responsible for 26% of mortality worldwide.

Today, infectious diseases are the second leading cause of mortality worldwide and the leading cause of mortality in people from birth to 29 years of age, according to Fauci.

### HIV/AIDS

HIV/AIDS is the leading cause of mortality due to an infectious disease in the world... About 39.5 million people worldwide have HIV...About 1.4 million people in the United States are infected with HIV, he said.

**But they still won't repent of fornication.**

### ● **Revelation 9:21—**

Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

### Newly emerging

SARS began in the Guangdong Province in China in November 2002, but the Chinese were not forthcoming with information, according to Fauci. After a Chinese physician stayed at a hotel in Hong Kong, the disease spread through other travelers and led to the crisis in the fall of 2003, he said. Approximately 8,000 cases of SARS and 774 deaths occurred.

**Yet, you refuse to believe what is the cause.**

### ● **Leviticus 18:23—**

Neither shall you have sexual relations with any animal and defile yourself, along with it; neither shall any woman present herself to have sexual relations with an animal. It is confusion and perversion.

## Superbugs more widespread than thought

### Study: Drug-resistant staph infects up to 5 percent of hospital patients

ATLANTA - A dangerous, drug-resistant staph germ may be infecting as many as 5 percent of hospital and nursing home patients, according to a comprehensive study.

At least 30,000 U.S. hospital patients may have the superbug at any given time, according to a survey released Monday by the Association for Professionals in Infection Control and Epidemiology.

The estimate is about 10 times the rate that some health officials had previously estimated.

### Most arrive infected

It's difficult to compare prevalence estimates from the different studies, experts said, but the new study suggests the superbug is eight to 11 times more common than some other studies have concluded.

## Infections make deadly comeback – death by infectious disease increasing in US and around the world - Science News of the Week

A new study of death certificates shows that from 1980 to 1992, death from infectious disease increased by 58 percent...

...the annual death rate from all infectious diseases increased over the period from 41 to 65 deaths per 100,000 people. Even after subtracting deaths due to HIV, which became epidemic during the last decade [or last generation] those from other infectious disease increased by 22 percent.

### ● **Mattithyah 24:7—**

....there will be....pestilences....

**The Greek word *nega*, from which *pestilences* was translated, means: *infliction, epidemic, plague, any deadly epidemic, disease.***

Notice the words used in the previous news article—**epidemic during the last decade**. Now compare the following verses.

● **Mattithyah 24:7**, we see pestilences or disease epidemics.

● **Mattithyah 24:21-22**, we see the worst time period ever.

● **Mattithyah 24:24**, we see "that generation," speaking of the last generation.

**Why?**

### ● **Mattithyah 24:12—**

And because iniquity; *the breaking of*

Yahweh's Laws, will abound, the love of the many will grow cold.

● **Isayah 24:1-6—**

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

● **Revelation 18:1-4—**

1 And after these things I saw another Malak come down from heaven, having great authority; and the earth was enlightened with His Glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

## Tuberculosis

Tuberculosis, or TB, is a disease caused by bacteria known as Mycobacterium tuberculosis. The bacteria can attack any part of the body, but usually target the lungs. An estimated 8.8 million new cases of tuberculosis are reported worldwide every year and about 2 million people die from the disease annually. There are two forms of TB: latent TB infection and TB disease.

## Drug-resistant TB on the rise in U.S.

Deadliest strain brought in by visitors from other countries, officials say  
The Associated Press

SAN FRANCISCO - The worst forms of the killer tuberculosis bug have been gaining ground in the United States, alarming public health officials over imported drug-resistant

strains of a disease that is mostly under control in this country.

Worldwide, TB kills 2 million people each year...

Of gravest concern is so-called "extensively drug-resistant" TB, which recently killed more than 50 people in South Africa. It's been found in limited numbers in the U.S. 74 reported cases since 1993.

The number of cases of that variety are multiplying worldwide, jumping more than 50 percent from about 273,000 in 2000 to 425,000 in 2004, according to a study published in August in the Journal of Infectious Diseases.

## Deadly flu virus mutating rapidly

Pandemic Alert

The deadly H5N1 strain of bird flu is mutating unpredictably and at a rapid pace, a senior World Health Organization official has warned Asia Pacific health ministers.

The Indonesian strain has infected 309 people since 2003, killing 188, but Dr. Omi warned that what was once two distinct grades had now split into four sub-groups.

## Chlamydia: Expanded Screening Efforts Result in More Reported Cases, but Majority of Infections Remain Undiagnosed.

Chlamydia remains the most commonly reported infectious disease in the United States. In 2004, 929,462 chlamydia cases go undiagnosed. It is estimated that there are approximately 2.8 million cases of chlamydia in the United States each year.

## Record number of Swedish HIV cases reported

The number of reported cases of HIV is at a record high. (Remember the Savior's words

in Mattithyah 24:21-22.) Compared to the same period last year, the number of new cases of HIV has increased by 40 percent.

That is the highest half-year figure since reporting began 20 years ago.

Anders Blaxhult, deputy state epidemiologist at the institute, told The Local that it was notable that the number of cases in all categories...have risen. (Remember the Prophecy about this generation experiencing the worst diseases ever.)

## Alarming rise in HIV/AIDS cases in Bihar

There has been an alarming rise in HIV/AIDS cases in Bihar during the past six years even as the state government has spent scores of rupees to contain the deadly disease.

Quoting the Sentinel Surveillance Report for 2006-07 carried out by the State Aids Control Society, its Executive Director KP Ramaiah confirmed "alarming" rise in HIV/AIDS cases. "The situation is turning from bad to worse," he said.

The dreaded disease was spreading to new areas as ten districts, where no case of HIV/AIDS was detected earlier, were now having high prevalence of it, he said.

## Syphilis Rate Skyrockets 40% in L.A. County in 2005

...syphilis incidence is up an alarming 40% in Los Angeles County in 2005.

Syphilis, a highly transmissible sexually transmitted disease, continues to wreak havoc in Los Angeles via an ongoing outbreak...which is increasingly spilling over into female populations as well as increasing in African American and Hispanic populations.

According to an LA County Department of Health Services STD Surveillance Report released yesterday, Los Angeles County saw a 40% increase in reported cases in 2005, 1,217 early syphilis cases reported to County health officials in 2005, up from 865 cases in

## STD/STI Statistics

- More than half of all people will have an STD/STI at some point in their lifetime.
- The estimated total number of people living in the US with a viral STD/STI is over 65 million. Every year, there are at least 19 million new cases of STDs/STIs...
- Each year, one in four teens contracts an STD/STI.
- One in two persons will contract an STD/STI by age 25.

**More than 50 million adults in the US have genital herpes and up to 1.6 million new infections each year, how long before every person has this STD and how long before AIDS crosses with it and makes it worse?**

- Over 6 million people acquire HPV each year, and by age 50, at least 80 percent of women will have acquired genital HPV infection. Most people with HPV do not develop symptoms. Some researchers believe that HPV infections may self-resolve and may not be lifelong like herpes.
- Each year, there are almost 3 million new cases of chlamydia, many of which are in adolescents and young adults.
- At least 15 percent of all American women who are infertile can attribute it to tubal damage caused by pelvic inflammatory disease (PID), the result of an STD.

## History of STDs

Pre 1960's: Syphilis and Gonorrhea were the only major STDs

1976: Chlamydia first recognized

1981: AIDS identified

1982: Herpes became very prevalent

1992: PID or Pelvic Inflammatory Disease recognized

1996: HPV or Human Papilloma Virus recognized as the cause of 90% of all cervical cancer

1980-present: 8 NEW diseases identified including HIV

\*It is important to note that this is not just a case of medical science diagnosing what has existed all along. These are NEW diseases, caused by sexual activity with multiple

partners. Viruses continue to mutate and multiply all the while becoming more resistant to treatment.

www.carenetaq.org

Notice from this article how the STDs have grown.

What the medical world calls sickness and disease today, the Holy Scriptures call curses. These curses were prophesied to abound along with sin in this generation. That is one of the signs the Savior gave us to look for concerning The End. Compare the following Scriptures.

### ● **Mattithyah 24:7—**

For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes in place after place:

### ● **Mattithyah 24:21-22—**

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

### ● **Isayah 24:1-6—**

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priests; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

5 The earth also is defiled because of the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

**You do not have much longer to repent and find your way to The House of Yahweh.**

### ● **Mattithyah 24:14—**

And this Message of the Kingdom will be preached to all the world by the One who bears witness to all nations; and then The End will come.

**The nuclear wars in Prophecy are as sure as the increase in sin and the spiritual fall of today's religions. Therefore, Yahweh says to you:**

### ● **Revelation 18:1-5—**

1 And after these things I saw another Malak come down from heaven, having great authority; and the earth was enlightened with His Glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

5 For her sins have reached unto heaven, and Yahweh has remembered her iniquities!
